Brass Monkey

× × ×

FALL 2021 COLLECTION

Vintage – inspired – Smartassery

We like to say that we're the line between roadside souvenirs and fine china. Well designed products that just happen to have a sense of humor.

We're here to turn the things that people didn't know they wanted, into the things that they can't live without.

REMEMBER US?

I mean, we're pretty unforgettable, right? Right?! Well just in case you forgot...

Mike Sayre and Melanie Bridges first worked together co-creating Easy, Tiger; building it into the instantly recognizable and highly successful brand that it was.

Then there's that whole 'it was' detail.

Well, long story short, they've happily joined forces with Galison to create Brass Monkey, a new brand filled with their signature wit and vintage charm. Also, sorry about talking about ourselves in third person.

It's weird.

PSST: THIS IS OUR OFFICE IN THE WEST BOTTOMS OF KANSAS CITY (NOT SOME RANDOM ROOM).
