RETURN POLICY

Damaged, Nonconforming and Defective Products.

We will accept returns of Damaged, Nonconforming and Defective Products from you provided:

- (a) You return the Products (in the condition they were received) to us within 1 month of receipt of shipment.
- (b) You include a detailed written claim of the Products (including the title, edition number, ISBN and quantity) and details of the type of damage or defect, if Damaged or Defective. Please be sure to include the Purchase Order number and your Lonely Planet Account number. Failure to provide this information could result in a credit calculated by default at our highest retail discount.

Nonconforming supply and short supply.

We will accept the return of Nonconforming Products and will replace the returned items with the items that should have properly been delivered. (A “charge only” invoice will be issued for the substitute item(s).) If you elect to keep the Products, we will credit you for any short supply if you notify us in writing with details of the shortage within 14 days of Delivery, and will resend and re-invoice the missing items as soon as possible at your request. If you do not want to keep Products you received in error, we will issue a Call Tag for items to be returned at our cost.

Out of Print Products.

We will accept the return of Out-of-Print Products, provided you return the front cover of each item within 12 months of the item becoming Out-of-Print. (Our catalog is indicative only as to when a Product may be replaced. We will provide you with lists of Out-of-Print titles, which you may return in accordance with these Terms.) Any return of Products later than 12 months after a title has gone Out-of-Print will not receive any credit. We strongly recommend that you do NOT sell Out-of-Print Products as the content would be out-of-date and inaccurate.

Overstocks.

We will accept the return of active titles from you provided:
(a) The Products are returned to us more than 3 months after Delivery in perfect resaleable condition (including free from stickers and sticker residue) and free from any third party charge,

lien, encumbrance or other third party right. We may, in our sole discretion, accept the return of Products bearing stickers or sticker residue, in which case your credit will be reduced by 5%.

(b) Please pack boxes adequately to ensure Products are not damaged in shipment. Poor packing results in damaged Products.

(c) It is recommended that boxes weigh 50 lbs. or less; boxes weighing more than 60 lbs. will be refused. Palletized returns must be 40”x 48” (4-way pallets) in good condition. Products returned damaged will not receive credit. If your return is more than one box, please mark the boxes “1 of 4, 2 of 4...” etc. and indicate which box contains the packing slip (please put packing slip in box #1).

(d) Please note: no credit will be given for stripped covers of current editions, even if Damaged or Defective.

No returns or credits without compliance.

You agree that we are not required to accept the return of any Products or provide credit to you unless and until you comply in full with these Terms.

Credits.

The Purchase Order number and, when possible, the invoice number must be quoted on all paperwork relating to returns of any type, including your claim for credit. Returns will be credited against your account balance at invoice cost. We will endeavor to credit in the month that we receive the return. Credit is applied to account balance; no cash refunds are given.

Risk and cost of returns delivery.

Returns are at your risk until we acknowledge receipt and credit your account. The costs of all returns, including packaging, transportation and delivery, will be borne by you (other than for authorized returns of Damaged, Nonconforming or Defective Products). Please see our Terms & Conditions at lonelyplanet.com/trade for more information.

CLAIMS

Discrepancy claims must be submitted within 30 days of shipment arrival. Proof of delivery will be provided up to 60 days after invoice date. Shortage claims must specify which titles and quantities were short as well as the invoice and purchase-order number.
