William & Harry The Windsor Brothers by Danny Danziger

In this insightful biography, *Sunday Times* columnist Danny Danziger brings to life the special bond between the world's two most famous siblings - Their Royal Highnesses William and Harry.

The royal princes William and Harry come from a family where fraternal relationships have often been hostile - at best. King John paid money to have his older brother Richard the Lionheart unlawfully imprisoned. Richard II murdered Henry IV. King George VI permanently cut off communication with his brother, the Duke of Windsor, after he insisted on marrying divorcee Mrs. Simpson. Prince Charles is currently on frosty terms with his younger brothers, Andrew and Edward. So, historically and genetically it is extraordinary that these two brothers, just two years and two months apart, and temperamentally so dissimilar, should love each other with such depth. Since birth, William and Harry have been in lockstep, drawn together by their birthright and the unique and tragic circumstances of their childhood. They are, however, not just the living legacy of their beautiful, troubled mother, Princess Diana, nor, by dint of birth, simply successors to a long-lasting dynasty. They are strong individuals in their own right and have made the British royals once again an object of universal fascination.

William & Harry focuses on this intriguing fraternal relationship - the older brother, happily married and father of three, who is destined to be king, and the irrepressible younger brother who, not long ago, was a carefree bachelor with a penchant for hijinks, and is now married to Meghan Markle, a woman who defies royal expectations.

Author Bio

Brought up in England and America, Danny Danziger is an award-winning journalist and columnist for *The Sunday Times*, where he originated an ongoing feature on sibling relationships. The books he has written include *Eton Voices* and *The Year 1000*. As a veteran journalist, alumni of elite British schools, a member of a family that owns or owned a conglomerate of business interests, including Cartier, Danziger has longstanding connections in the world of courtiers and royalty.

Folded Wisdom

Notes from Dad on Life, Love, and Growing Up

by Joanna Guest

Poignant, inspirational, and deeply moving, *Folded Wisdom* is a testament to the depth of a father's love for his children. In this lavishly illustrated gift book, Joanna Guest shares the beautiful and insightful notes her father gave to her and her brother every day for nearly 15 years.

For her entire childhood, Joanna's father, an artist by training, had a morning ritual: wake up early, walk the dog, and sit down at the kitchen table with two blank sheets of paper and plenty of colored markers. On those pages, every morning, he would craft a note to young Joanna and her brother Theo. Over the years, these beautifully illustrated and heartwarming notes morphed from word games and puzzles for five-year-olds to thoughtful guidance, advice, and reflections for teens approaching adulthood. Each morning, without fail, her father would have a note waiting for his two children.

Now, with more than 3,500 of her father's colorful, vibrant, touching notes in hand, Joanna has chosen the most poignant and collected them into this beautiful book. With the illustrated notes throughout, the book is organized by themes such as forgiveness, love, friendship, teamwork, and more. These notes are full of messages we all need to hear. Heartfelt and full of possibility for the future, the notes are timeless and relevant reminders of our common humanity. They hold lessons that are easily applicable to each of our lives.

Author Bio

Joanna Guest is a proud daughter who enjoys talking loudly and often about her family. She left a career in politics to focus on FOLDED WISDOM. She holds a Bachelor's degree from the University of Arizona, and a Master's of Public Policy from Georgetown University. This is her first book and she looks forward to plagiarizing her dad's sentiments someday to her own children.

A Nearly Normal Family

by M.T. Edvardsson, translated by Rachel Wilson-Broyles

M.T. Edvardsson's *A Nearly Normal Family* is a gripping psychological thriller that forces the reader to consider: how far would you go to protect the ones you love? In this twisted narrative of love and murder, a horrific crime makes a seemingly normal family question everything they thought they knew about their life--and each other.

Nineteen-year-old Stella stands accused of the brutal murder of a man almost fifteen years her senior. She is an ordinary teenager from an upstanding local family. What reason could she have to know a shady businessman, let alone to kill him?

Stella's father, a pastor, and mother, a criminal defense attorney, find their moral compasses tested as they defend their daughter, while struggling to understand why she is a suspect. Told in an unusual three-part structure, *A Nearly Normal Family* asks the questions: How well do you know your own children? How far would you go to protect them?

Author Bio

M.T. Edvardsson is a writer and teacher from Trelleborg, Sweden. He is the author of three previous novels and two books for young readers in Sweden. Edvardsson lives with his family in Loddekopinge, Sweden.

We Love Anderson Cooper

Short Stories

by R.L. Maizes

In this quirky, humorous, and deeply human short story collection, Pushcart Prize-nominated author R.L. Maizes reminds us that even in our most isolated moments, we are never truly alone.

In *We Love Anderson Cooper*, characters are treated as outsiders because of their sexual orientation, racial or religious identity, or simply because they look different. A young man courts the publicity that comes from outing himself at his bar mitzvah. When a painter is shunned because of his appearance, he learns to ink tattoos that come to life. A paranoid Jewish actuary suspects his cat of cheating on him - with his Protestant girlfriend.

In this debut collection, humor complements pathos. Readers will recognize themselves in these stories and in these protagonists, whose backgrounds are vastly different from their own - we've all been outsiders at some point.

Author Bio

R.L. Maizes was born and raised in Queens, NY. She now lives in Boulder, CO. Maizes's short stories have aired on National Public Radio and have appeared in the literary magazines *Electric Literature*, *Witness*, *Bellevue Literary Review*, *Slice*, and *Blackbird*, among others. Her essays have been published in *The New York Times*, *The Washington Post*, *Lilith*, and elsewhere. Maizes is an alumna of the Bread Loaf Writers' Conference, the Sewanee Writers' Conference, and the Tin House Summer Writer's Workshop. Her work has received Honorable Mention in *Glimmer Train's* Fiction Open contest, has been a finalist in numerous other national contests, and has been nominated for a Pushcart Prize.

The Whisper Man

by Alex North

In his debut psychological thriller, Alex North weaves a multi-generational tale of suspense, as a father and son are caught in the crosshairs of an investigation to catch a serial killer preying on a small town.

After the sudden death of his wife, Tom Kennedy believes a fresh start will help him and his young son Jake heal. A new beginning, a new house, a new town. Featherbank.

But the town has a dark past. Twenty years ago, a serial killer abducted and murdered five residents. Until Frank Carter was finally caught, he was nicknamed "The Whisper Man," for he would lure his victims out by whispering at their windows at night.

Just as Tom and Jake settle into their new home, a young boy vanishes. His disappearance bears an unnerving resemblance to Frank Carter's crimes, reigniting old rumors that he preyed with an accomplice. Now, detectives Amanda Beck and Pete Willis must find the boy before it is too late, even if that means Pete has to revisit his great foe in prison: The Whisper Man.

And then Jake begins acting strangely. He hears a whispering at his window♦

Author Bio

Alex North was born in Leeds, England, where he now lives with his wife and son. He studied philosophy at Leeds University and, prior to becoming a writer, worked in their sociology department.
