**Paris is a labyrinth of twisted streets filled with beggars and thieves, revolutionaries and magicians. Camille Durbonne is one of them. She wishes she weren't...**

When smallpox kills her parents, Camille must find a way to provide for her younger sister while managing her volatile brother. Relying on magic, Camille painstakingly transforms scraps of metal into money to buy food and medicine they need. But when the coins won't hold their shape and her brother disappears with the family's savings, Camille pursues a richer, more dangerous mark: the glittering court of Louis XVI and Marie Antoinette.

Using dark magic forbidden by her mother, Camille transforms herself into a baroness and is swept up into life at the Palace of Versailles, where aristocrats both fear and hunger for magic. As she struggles to reconcile her resentment of the rich with the allure of glamour and excess, Camille meets a handsome young inventor, and begins to believe that love and liberty may both be possible.

But m...

## A Hope More Powerful Than the Sea (Young Readers' Edition)

One Teen Refugee's Incredible Story of Love, Loss, and Survival

Melissa Fleming

### Summary

**The extraordinary true story of one teen refugee's quest to find a new life in the midst of one the most pressing international crises of our time.**

*A Hope More Powerful Than the Sea* chronicles the life of Doaa Al-Zamel, a Syrian girl whose life was upended in 2011 by the onset of her country's brutal civil war. She and her family escape to Egypt, but life soon quickly becomes dangerous for Syrians in that country. Doaa and her fiancé decide to flee to Europe to seek safety and an education, but four days after setting sail on a smuggler's dilapidated fishing vessel along with five hundred other refugees, their boat is struck and begins to sink.

Adrift in a frigid sea, no land in sight, nineteen-year-old Doaa stays afloat on a small inflatable ring and clutches two little girls—barely toddlers—to her body. The children had been thrust into Doaa's arms by their drowning relatives, all refugees who boarded a dangerously overcrowded ship bound for Italy and a new life. For days as she drifts, Doaa prays for rescue and sings to the babies in her arms. She must stay alive for them. She must not lose hope.

Doaa's eye-opening story represe...

## The Hazel Wood

### A Novel

Melissa Albert

#### Key Selling Points:

**LITERARY/COMMERCIAL PAR EXCELLENCE:** When you read *The Hazel Wood*, you will know that you are in the hands of a master storyteller. *The Hazel Wood* is a book that will be talked about for years to come.

**SUPERLATIVE PRAISE:** Authors, booksellers, and other bigmouths in the YA world are already talking about *The Hazel Wood*. *Graceling* author Kristin Cashore, who very rarely blurbs, has given us a ringing endorsement. Check out #TheHazelWood or #IntoTheHazelWood on social media.

**MAJOR MARKETING CAMPAIGN:** We will be pulling out all of the stops for *The Hazel Wood*.

**ALREADY BOUGHT BY SONY PICTURES FOR MAJOR FILM RELEASE:** Columbia Pictures/Sony bought the film rights in a major deal days after we bought the book. Red Wagon, the team behind *The Great Gatsby* and *Divergent*, have signed on to produce. Melissa is also a producer (an unusual coup for a new author).

**WORLDWIDE PREEMPTS AND AUCTIONS:** We preempted *The Hazel Wood* the day after we received the submission. Rights were quickly sold in every Western European country in the days that followed. *The Hazel Wood* was “the book of the fair” at last fall’s Frankfurt Book Fair, and rights have now been sold in fifteen territories, with more deals pending. Here in the US, twelve agents vied to represent Melissa (and one agent wrote that he cried after not having not won the day). The publication of *The Hazel Wood* will be a major publishing moment.

**THE DEFINITION OF CROSSOVER YA:** *The Hazel Wood* is truly a book for any reader who knows that stories make us who we are.

**POISED, CONNECTED AUTHOR:** Every YA author already knows Melissa Albert, because for years she has been celebrating and promoting the best of YA on Barnes & Noble’s Teen Blog, which she founded. She is funny, smart as hell, and it must be said, stunning. You could not dream up a better author to talk about her writing, to engage with readers and fans, and to be the best advocate for *The Hazel Wood* there is.

#### Summary

**The New York Times bestseller with seven starred reviews! Welcome to *The Hazel Wood*, Melissa Albert’s fierce, captivating contemporary fantasy about a girl who ventures into the world behind a pitch-dark, cult-classic collection of fairy tales.**

Seventeen-year-old Alice and her mother have spent most of Alice’s life on the road, always a step ahead of the uncanny bad luck biting at their heels. But when Alice’s grandmother, the reclusive author of a cult-classic book of pitch-dark fairy tales, dies alone on her estate the Hazel Wood, Alice learns how bad her luck can really get: Her mother is stolen away—by a figure who claims to have come from the Hinterland, the cruel supernatural world where her grandmother’s stories are set. Alice’s only lead on finding her is the message she left behind: “Stay away from the Hazel Wood.”

## Girls Made of Snow and Glass

Melissa Bashardoust

### Key Selling Points:

**WICKED FANS, REJOICE:** Readers love the true stories behind the heroines and villains in their favorite tales (*Dorothy Must Die*, *Wicked*) and our fabulous stepmother queen's story is *not* what you've been raised to think.

**UNTRADITIONAL FAIRY TALE REIMAGINING:** Melissa Bashardoust weaves in touchstones of the Snow White fairy tale (along with other, less well-known tales, such as Donkeyskin) and makes them all her own.

**GIRLS TAKE OVER THE STORY:** Let's try that again, Brothers Grimm and Charles Perrault! This is Snow White for everyone who throws up their hands at the Prince waking up Snow White, or the stepmother being an irredeemable, awful stepmother.

**POIGNANT AND MOVING:** This is a book with true heart, and incredible emotional insight and depth. *Girls Made of Snow and Glass* will be read again and again.

**GORGEOUS, LUSH WRITING:** You will want to underline every sentence.

### Summary

**Frozen meets *The Bloody Chamber* in this feminist fantasy reimagining of the Snow White fairytale**

Sixteen-year-old Mina is motherless, her magician father is vicious, and her silent heart has never beat with love for anyone—has never beat at all, in fact, but she'd always thought that fact normal. She never guessed that her father cut out her heart and replaced it with one of glass. When she moves to Whitespring Castle and sees its king for the first time, Mina forms a plan: win the king's heart with her beauty, become queen, and finally know love. The only catch is that she'll have to become a stepmother.

Fifteen-year-old Lynet looks just like her late mother, and one day she discovers why: a magician created her out of snow in the dead queen's image, at her father's order. But despite being the dead queen made flesh, Lynet would rather be like her fierce and regal stepmother, Mina. She gets her wish when her father makes Lynet queen of the southern territories, displacing Mina. Now Mina is starting to look at Lynet with something like hatred, and Lynet must decide what to do—and w...
