Monica Adventures #6

My Friends are Robots

by Mauricio de Sousa

Monica meets Astro Boy and other creations from famed mangaka Osamu Tezuka!

Comics cultures collide when Brazil's best-selling and most popular comics characters meet the legendary manga creations of Osamu Tezuka! In this rare international comics crossover, Monica and her friends, J-Five, Smudge, and Maggy, meet the world famous Astro Boy, as well as Kimba the White Lion, and Princess Knight in the heart of the Brazilian Amazon. Their introduction is cut short when the local wildlife attacks them due to mysterious forces. It is a battle of wit and brawn as Monica, Astro Boy, and the rest must race to save the rainforest, and themselves!

Author Bio

Mauricio de Sousa has created over 200 comic characters since the start of his career in 1959 and has brought the fun of reading and education to millions of children, teens, and adults as they grew up with Monica and her friends. Today he has the biggest comic/animation studio in the history of Latin America, publishing some 15 monthly titles, more than 100 books annually, producing live action stage shows for Brazil and abroad, and countless cartoons while licensing his creations as the face of more than 3,000 products appearing in over 80 countries. In 2007, UNICEF named his title character Monica as children's' ambassador for the world.

Osamu Tezuka was born in the city of Toyonaka, in Osaka, Japan, in November 3, 1928, and raised in Takarazuka, in Hyogo prefecture. In 1946 Tezuka made his debut as a manga artist with the work Ma-Chan's Diary, and in 1947 he had his first big hit with New Treasure Island. In over forty years as a cartoonist, Tezuka produced in excess of an astounding 150,000 pages of manga, including the creation of Metropolis, Mighty Atom (A.K.A Astro Boy), Jungle Emperor (A.K.A Kimba the White Lion), Black Jack, Phoenix, Buddha, and many more. Tezuka's fascination with Disney cartoons led him to begin his own animation studio, creating the first serialized Japanese cartoon series, which was later exported to America as Astro Boy in 1963. Tezuka Productions went on to create animated versions of Kimba the White Lion (Jungle Emperor) and Phoenix, among others. Tezuka became Japan's "comics ambassador" taking Japan's comics culture to the world in 1980, he toured and lectured in America, including a speech at the United Nations. Regarded as a national treasure, osamu Tezuka died (...)

All About Vincent

The Life of a Lovelorn RPG Player (Who Knows Magic Tricks)
by Vitor Cafaggi

Experience Brazilian superstar Vitor Cafaggi's entire romantic smash hit all in one volume!

Vincent the dog enjoys the simple things in his young life—empanadas with various fillings, performing magic tricks, comicbooks, playing with his little sister, and all-day Saturday RPG sessions with his best friends. He does not enjoy, however, being single (or physical activity). After seeing a girl (he mistakenly thinks) smile at him on the bus, his life changes forever. Take a ride on the roller coaster of love with Vincent as he falls in and out of relationships, braves college, and learns the secret to his own happiness. International cartooning sensation Vitor Cafaggi's complete serialized tale of love, loss, and game nights is collected here with a section of never before seen art and anecdotes to make you fall in love with Vincent all over again.

Author Bio

Vitor Cafaggi is a professor of visual narrative, script and character development in Minas Gerais, Brazil. His debut to the world of comics was with the webcomic Puny Parker, which narrated the childhood of his favorite hero, Spider-Man. He gained notoriety in his country with the graphic novels inspired by Brazilian super-property Turma da Mônica (Monica and Friends) and the comic strip Valente (Vincent) published by the Brazilian newspaper O Globo. Vitor has won the HQ Mix trophy multiple times for his excellence in comic art.

Geeky Fab 5 Vol. 5

Roadtrippin

by Liz Lareau and Lucy Lareau, illustrated by Ryan Jampole

The Geeky Fab Five go on a roadtrip full of nature and nonsense in this next chapter of the hit STEM/Girlpower series!

The Geeky Fab Five hit the road in an adventure of a lifetime. Packed into the camper of Lucy and Marina's grandfather, the girls' first stop is the Grand Canyon. Once at the national park, Lucy investigates erosion and rock formations; A.J. discovers a construction site on the canyon with a goal of preservation; Sofia is inspired by the beautiful jewelry of the local tribes; Marina watches the stars while Zara keeps watch for wild animals (not counting their snarky mascot Hubble the cat). There's plenty of fun and discoveries in the great outdoors!

Author Bio

LUCY LAREAU co-created the GEEKY FAB FIVE STEM girls series with her mom based on her own real-life experiences in elementary school, where students learn to make a difference.

LIZ LAREAU, M.A., co-authors the GEEKY FAB FIVE series with her daughter, Lucy, to inspire all girls to realize their potential and work together for a better world.

RYAN JAMPOLE is a Harvey Award nominated comic artist. Ryan has drawn MEGA MAN and SONIC for Archie comics, DEXTER'S LABORATORY, and CODENAME KND for IDW and GERONIMO and THEA STILTON comics for Papercutz.

Lola's Super Club #1

My Dad is a Super Secret Agent

by Christine Beigel, illustrated by Pierre Fouiillet

Lola must use her imagination to become the hero she was meant to be in this brand new series!

Lola is a girl like any other, except for one tiny detail: her father, Robert Darkhair, is James Blond, a top-secret agent so secretive, that not even he knows what he does, or at least that is what Blond wants us to believe. When the villains of Friendly Falls kidnap Lola's parents, she becomes Super-Lola. Accompanied by her toy dinosaur Super-James (in undies) who can grow to the size of an actual dinosaur (thus stretching the undies), their cat Hot Dog, a pencil, an eraser, and an infallible duckie pool toy, she is off to the rescue. Ah, imagination. It is our most powerful weapon.

Author Bio

Pierre Fouiillet was born in 1958 in the countryside. He grew up sketching animals but went on to study Fine Arts instead of veterinary sciences. He has worked on childrens books and graphic novels for the past 15 years.

Christine Beigel was born in 1972 in France and spent her life in Paris and Mallorca. Beigel is the writer of over 40 childrens books, from books for the littlest of readers to dark novels for older teens. Lola's Super Club is her first comic for kids. Her influences include Jorge Luis Borges, Lewis Carrol, James Bond and Terry Gilliam.

X-Venture Explorers #1

The Kingdom of Animals - Lion vs Tiger

by Author Meng and Author Slaium, illustrated by Black Ink Team

From the creators of Dinosaur Explorers comes a ferocious look into the Animal Kingdom!

An educational exploration of the animal kingdom!

Lions and Tigers normally don't cross paths in the wild because they live in different habitats. Who is to say for sure who would win in a battle of these big cats? Under the guidance of Dr. Darwin and his faithful assistant Smith, a young group of researches, Sherry, Jake, Bean, Louis, Tazen, and Kwame, scour the globe for the perfect specimens to test their hypothesis. But if they aren't careful, the fact hunters will become the hunted by mealtime! Dynamic action is supported by informative diagrams and studies of the top members of the feline family (felidae)

Author Bio

Slaium is the editor-in-chief of Kadokawa Gempak Starz who joined the company in 2002.

Meng joined Kadokawa Gempak Starz in 2010. The language editor of Comic King and Little Monitor started his participation in the X-Venture series with research, factual presentation, and scripting.

Black Ink Team is the cartoonist team formed especially for the X-Venture series. With their strength in different fields, every member is playing his or her role in planning, drafting, illustrating, and designing characters and backgrounds.

Asterix Omnibus #3

Collects Asterix and the Big Fight, Asterix in Britain, and Asterix and the Normans

by Rene Goscinny, illustrated by Albert Uderzo

One of the world's greatest comics characters, the ever-fearless Asterix, continues to battle supposedly unbeatable odds to protect his tiny village from the Roman Empire. Fortunately, all of the villagers have super-strength thanks to a secret potion. In Asterix and the Big Fight," one of the three classic Asterix graphic novels collected here, the Romans are beginning to wise up. Instead of trying to conquer Asterix's village, the Roman's challenge Vitalstatistx, chief of Asterix's tribe, to a one on one battle with the Gallo-Roman Chief, Cassius Ceramix of Linoleum. As per Ancient Gaulish customs, the loser would forfeit his entire tribe to the winner. "Asterix in Britain," the Romans have conquered all of Britain except for a single village in Kent. Sound familiar? Anticlimax, a member of that British village, travels to Gaul to seek help from his first cousin once removed, Asterix. Together, with Obelix, they decide to bring back a barrel full of thesecret potion that imbues anyone with super-strength, but word leaks out, and the Romans will do anything they can to thwart this rescue mission. Finally, in "Asterix and the Normans," Asterix encounters a group of Normans who want to learn all about fear, and that's just the tip of the iceberg as far as how many strange and crazy things happen in this particular adventure. We won't even mention which pop star is parodied in this story! Just when you think you know what to expect in Asterix, the creators Goscinny and Uderzo throw things at you that you never could've imagined. That's probably why Asterix remains such a successful comics character to this day!

Author Bio

Rene Goscinny was born in Paris in 1926. After growing up in Argentina, he came to America where he shared a studio with future Mad magazine co-founder Harvey Kurtzman and collaborators Will Elder and Jack Davis, an association that would mark him for life. In 1959, he founded the magazine Pilote which premiered what was to become the most successful comic series anywhere: Asterix. By the late sixties, Pilote turned to an older audience pioneering an absolute revolution in comics styles, narration and sophistication. Asterix was not the only greatly successful series Goscinny penned, others include western parody Lucky Luke and the Little Nicholas series illustrated by Sempé. Goscinny's genius was not only in writing but also in editing, launching many famous and enormously innovative comics authors within the creative cauldron that Pilote magazine had become under his leadership, helping to raise comic art into a full-fledged art form. He died suddenly and way too early of cardiac arrest in 1977 at the age of 51.

The Mythics #3

Apocalypse Ahead

by Patricia Lyfoung and Philippe Ogaki

Parvati is a very busy but normal 12-year-old girl. She lives with her family in India, volunteers at a health clinic after school, keeps up her grades, and fights an evil Zombie outbreak using her godlike powers bequeathed to her from her ancestor the Hindi goddess Durga: Normal kid stuff. Meanwhile, in Greece, 16-year-old Neo is living in poverty, diving and peddling salvaged items from shipwrecks. When his family is kidnapped by Aries, the God of War, Neo must wield the power of Hercules to get them back and stop the approaching apocalypse from taking place.

The Smurfs 3-in-1 #4

The Return of Smurfette, The Smurf Olympics, and Smurf vs Smurf

by Peyo

It's Smurf vs. Smurf vs. Smurf as the competitive nature of the Smurfs Village is in full display! First, the most popular Smurf, the bodacious Smurfette returns to the Village. Then, let the games begin as the Smurfs have their own Olympics. Plus: the Smurfs are at war over what to call the device that opens bottles! Is it a Bottle-Smurfer or Smurf Opener? It's a debate that quickly escalates and threatens to tear the Smurf Village apart! All this and more in over 150 pages of Peyo's Smurfs comics, featuring stories from THE SMURFS graphic novels volumes 10-12.

Author Bio

PIERRE CULLIFORD, born in Belgium in 1928, was the cartoonist known as Peyo. Peyo began his career working with some of Belgium's most talented cartoonists, including his lifelong writing partner Yvan Delporte. In 1958, The Smurfs made their first appearance and went on to become the world-famous characters we know and love today.
