Pranklab

by Chris Ferrie, Byrne LaGinestra and Wade David Fairclough

What's more fun than a practical joke? A SCIENTIFIC practical joke! Your friends and family might be annoyed at first. . . until they realize they're learning about science too! Using everyday household items, kids can exploit the laws of physics, biology, and chemistry through entertaining (and perfectly safe) activities. Each prank includes easy-to-understand instructions, step-by-step diagrams, and diary-style illustrations. Additional notes in each prank explain the science behind the fun.

Pranks include:

- Fountain Dew
 - Natural Selection Candy
 - Disappearing ink stain
 - Ghost toothpick
- and more!

My Very First Cookbook

by Danielle Kartes, illustrated by Annie Wilkinson

Watching mom or dad in the kitchen is usually a child's first introduction to cooking. And when that inevitable question pops up (can I help?), now you can say yes!

These delightful and delicious kid-friendly recipes are the perfect introduction to cooking for little chefs just starting out in the kitchen. Step-by-step instructions are written directly to the child reader with clear indications for when they need a grownup's assistance.

Giftable and sweet, this is the perfect keepsake for first time little chefs!

Author Bio

DANIELLE KARTES is an author, food stylist, and recipe developer living in Seattle, Washington with her husband Michael, a photographer, and their two sweet boys, Noah and Milo. Together, the Karteses run their boutique food photography business, Rustic Joyful Food, and host food styling workshops around the country. Our Prayer Journal

Celebrating Our Christian Faith Together
by Katie Clemons

Author Bio

Katie Clemons is an avid storycatcher, mom, and fifth generation Montanan whose super power is asking questions. Her mission-Let's celebrate your story!-began in elementary school when Katie craved a consistent, fun way to capture and write her stories. Today, she's a No. 1 bestselling author who's shared her story on HGTV's You Live in What?," given a TEDxTalk, created a storycatching community, and received numerous awards and press for her innovative approach to journaling. Katie and her journals have been featured by media outlets such as The Wall Street Journal, Huffington Post, Good Housekeeping and Pregnancy and Newborn.

Katie's work helps both children and adults celebrate their life stories and nurture deeper bonds with their families while finding greater joy and gratitude. Find Katie and share her storycatching discoveries at www.katieclemons.com or @katierclemons on social media.

No Reading Allowed

The WORST Read-Aloud Book Ever

by Raj Haldar and Chris Carpenter, illustrated by Bryce Gladfelter

From the #1 New York Times bestselling author of *P is for Pterodactyl* comes another hilarious fresh look at the English language!

In the vein of *Eats, Shoots, and Leaves*, this delightful new book places pairs of similar-sounding sentences together and illustrates them in two hilariously different ways. These illustrations gone awry highlight how absurd the English language can be. But, have no fear!

The illustrations will give you all the clues you need to decipher the true meanings behind these wily words. You won't be tricked by phrases like "C Major, it's a beautiful key! / See Major, it's a beautiful quay!" Context clues, bright illustrations, and rhyming words will help readers navigate the ridiculous text with ease.

Author Bio

Better known by his stage name Lushlife, Raj Haldar is an American rapper, composer, and producer from Philadelphia, PA.

Chris Carpenter is a software developer for a tech startup in New York.

An adventurer at heart, Bryce Gladfelter honed his skills in the arts during hours spent drawing on trains and buses, people watching in markets, and wandering the natural world. Bryce's illustrations are featured in magazines and product labels around the US. He currently resides in Philadelphia, PA.

How to Catch a Yeti

by Adam Wallace, illustrated by Andy Elkerton

From the New York Times and USA Today bestselling team comes a new, epic winter adventure in the How to Catch series!

When our brilliant Catch Club Kids hear about the legendary Yeti, they head to the mountains to catch a glimpse and prove it really exists! Full of hilarious high jinks and clever traps, How to Catch a Yeti is a fun-filled ride you won't want to miss! Will our Catch Club Kids catch the Yeti and prove he exists? Or will the Yeti remain a mystery to the world?

Legend has it there lives a beast
we really want to meet.

Hes extra huge with snow-white fur
and giant, fuzzy feet!

I know the Yeti does exist,
and I can prove it too!
And with my friends, well find him fast
before the day is through!

Author Bio

Adam Wallace is a children's writer and cartoonist living in Australia. He is the author of the New York Times bestselling How to Catch series and The Holiday Heroes Save Christmas. Andy Elkerton is a children's book illustrator based in the United Kingdom.

'Twas the Night Before Christmas on the Farm by Craig Manning

A sweet retelling of a Christmas classic from the point of view of a little lamb on the farm!

It's the night before Christmas on the farm, and no creatures are stirring. But when the lamb hears a clatter and gets up to find out what it is, she finds much more than the usual farmer and animal friends visiting the barn! It's Santa in a sleigh! Children will delight in this new take on a beloved holiday story, sure to become a family favorite!

'Twas the night before Christmas, and all 'round the farm
Not a creature was stirring, tucked in safe and warm.
The stockings were hung on each barn door with care.
The animals hoped soon St. Nick would be there.

Author Bio

Craig Manning is an author, journalist, songwriter, and storyteller. He has written several children's books for iconic brands like Sesame Street and Peanuts, including the USA Today-bestselling Sesame Street story *The Great Easter Race*. He lives in northern Michigan with his wife and their three cats.

Cookies for Elmo

A Little Book about the Big Power of Sharing
by Sesame Workshop and Erin Guendelsberger

A heartwarming new take on sharing from beloved Sesame Street characters! When Cookie Monster tries to bake cookies to share with Elmo, he finds they're too hard to resist! How can he share when he just wants them all to himself? In this sweet new story, Cookie Monster proves that it can be hard to share sometimes, even when you know you should. But sharing can make both people happy, and can help grow your friendship! This charming and funny picture book from world-renowned brand Sesame Street approaches the essential lesson of sharing and self-regulation in a whole new way—and even includes a special monster cookie recipe in the back!

Author Bio

Sesame Workshop is the nonprofit educational organization behind the world-renowned children's program Sesame Street. With the mission of helping kids grow smarter, stronger, and kinder, Sesame Workshop has worked with educators to develop programs tailored to the unique needs of children all over the world. Sesame Workshop works to teach the whole child, providing lessons on topics from ABCs and 123s to health, emotional well-being, and respect. Erin Guendelsberger writes stories and poems. She studied writing at Hamline University and Bowling Green State University and now pursues adventure in Ohio with her husband, daughters, and a cat named Hennimore.

Jinxed by Amy McCulloch

One night, Lacey comes across the broken form of a highly advanced baku. After Lacey repairs it, the cat-shaped baku she calls Jinx opens its eyes and somehow gets her into her dream school. Jinx is definitely different than any other baku she's ever seen. He seems. . . real.

Lacey settles into life at school, competing with the best students in a battle of the bakus that tests her abilities. But then she learns that Jinx is part of a dangerous secret. As she's drawn into a web of lies and drifts further away from her family and her old friends, can Lacey hold onto Jinx and her dreams for the future?

Author Bio

Amy McCulloch was born in the UK, raised in Canada, and currently lives in London. She is also the author of *The Oathbreaker's Shadow* duology and *The Potion Diaries* series. She loves traveling the world, researching extraordinary settings and intriguing stories for future books. Find her online at amymcculloch.net

Wishes and Wellingtons

by Julie Berry

Maeve Merritt chafes at the rigid rules at her London boarding school for "Upright Young Ladies." When punishment forces her to sort through the trash, she finds a sardine tin that houses a foul-tempered djinni who has no intention of submitting to a schoolgirl as his master.

Soon an orphan boy, a mysterious man in ginger whiskers, a disgruntled school worker, and a take-no-prisoners business tycoon are in hot pursuit of Maeve and her magical discovery. It'll take all of her quick thinking and sass to set matters right. Maeve Merritt is one feisty heroine you won't soon forget. From award-winning author Julie Berry comes a middle-grade fantasy adventure full of humor and heart. Maeve Merritt chafes at the rigid rules at her London boarding school for "Upright Young Ladies." Scritch Scratch

by Lindsay Currie

Claire didn't think anything could be worse than having to help out her dad on one of his ghost-themed Chicago bus tours. Then a boy with a sad face and dark eyes shows up, sitting silently among the passengers. A moment later, he's gone, leaving a tattered scrap of paper bearing the number 396 in his wake.

Claire tries to brush it off, even after her dad says he didn't see any children on the tour. She goes to sleep in the hopes that everything will seem normal in the morning.

But then the haunting starts. Voices whisper to her in the dark. Cracks spider across her ceiling. The number 396 appears scrawled all over her shower. There's no escaping it; Claire is being haunted. The boy on the bus wants something. . . and Claire needs to find the truth before it's too late.

Author Bio

Lindsay lives in Chicago, Illinois with her husband and three kids. She's loves coffee, Halloween, Disney World and things that go bump in the night! She is also the author of *The Peculiar Incident on Shady Street*. Visit her online at lindsaycurrie.com

Alone in the Woods

by Rebecca Behrens

From the author of *The Disaster Days* comes a thrilling survival story about two former best friends who must work together to stay alive after getting lost in a remote national forest.

Jocelyn and Alex have always been best friends. . . until they aren't. Jocelyn's not sure what happened, but she hopes the annual joint-family vacation in the isolated north woods will be the perfect spot to rekindle their friendship.

But Alex still isn't herself when they get to the cabin. And Jocelyn reaches a breaking point during a rafting trip that goes horribly wrong. When the girls' tube tears it leaves them stranded and alone. And before they know it, the two are hopelessly lost.

Wearing swimsuits and water shoes and with only the contents of their wet backpack, the girls face threats from the elements. And as they spend days and nights lost in the wilderness, they'll have to overcome their fractured friendship to make it out of the woods alive.

Praise for *The Disaster Days*:

A realistic, engrossing survival story that's perfect for aspiring babysitters and fans of John Macfarlane's *Stormstruck!*, Sherry Shahan's *Ice Island*, or Wesley King's *A World Below*. -School Library Journal

"The strength of this steadily paced novel that stretches over four days of a scary disaster scenario is that Hannah doesn't figure everything out; she stumbles, doubts, and struggles throughout it all." -The Bulletin of the Center for Children's Books

"Fans of survival thrillers in the vein of Gary Paulsen's *Hatchet* will enjoy this tense, honest tale of bravery. . . an excellent (and refreshingly not didactic) teaching tool (...)

The Radium Girls: Young Readers' Edition by Kate Moore

The Radium Girls is a rich, historical narrative of the young women exposed to the "wonder" substance of radium, and their brave struggle for justice. Their courage and tenacity saved many others, led to world-changing regulations, and even prevented nuclear war.

Written with a sparkling voice and galloping pace, The Radium Girls is the first book that fully explores these women's strength in the face of almost impossible circumstances, and the incredible legacy they left behind. Now adapted for young readers!

Author Bio

Kate Moore is a *New York Times* best selling writer with more than a decade's experience writing and ghosting across varying genres, including memoir, biography, and history. In 2015 she directed a critically acclaimed play about the Radium Girls called 'These Shining Lives.' She lives in the UK. Visit her at <http://www.kate-moore.com/>

The Secret Life of Boogers

by Mariona Tolosa Sistere

Snot might seem disgusting, but it's actually (s)not! In this delightfully gross yet informative look at boogers, readers learn that they are a very important defense mechanism for our bodies! Who knew? Boogers actually trap viruses and bacteria in their sticky web, so your snot is really a superhero!

Young readers (and grownups!) will delight in this snarky look at the science of snot and ultimately be able to identify what mucus is and why we need it.

We Were Restless Things

by Cole Nagamatsu

Last summer, Link Miller drowned in the woods, miles from the nearest body of water. His death was ruled a weird accident, but Noemi Amato knows the truth: Link was killed. He told her so himself in the texts he's been sending from beyond the grave, warning Noemi to keep away from the forest.

Amberlyn, Link's sister, can't shake the feeling Noemi is hiding something, and Jonas, Noemi's new sort-of-stepbrother, can't get past the walls she's constructed around herself. But Noemi is hiding a dangerous secret even bigger than Link's ghost: Link did drown in a lake in the woods, but only she can see it. Now, if the three teens don't work together to unravel the truth about what is happening in the woods, someone else will wind up six feet under water.

LEAD

Even If We Break

by Marieke Nijkamp

From #1 New York Times bestselling author of *This Is Where It Ends* and *Before I Let Go* comes a heart-stopping new thriller.

End the game before it ends you.

For five friends, this was supposed to be one last getaway before going their separate ways—a chance to say goodbye to each other, and to the role-playing game they've been playing for the past 3 years. But they're all dealing with their own demons, and they're all hiding secrets.

Finn doesn't trust anyone since he was attacked a few months ago. Popular girl Liva saw it happen and did nothing to stop it. Maddy was in an accident that destroyed her sports career. Carter is drowning under the weight of his family's expectations. Ever wants to keep the game going for as long as they can, at all costs.

When the lines between game and reality start to blend with deadly consequences, it's a race against time before it's game over—forever.

""Immersive and captivating. From its well-drawn characters to their twisty game-turned-crime scene, *Even If We Break* is thrilling in every sense of the word." - KAREN M. MCMANUS, #1 New York Times bestselling author of *One of Us is Lying* and *One of Us is Next*

My Secret to Tell

by Natalie D. Richards

Emerson May is the good girl. The perfect daughter, the caring friend, the animal shelter volunteer. But when her best friend's brother breaks into her room, his hands covered in blood, she doesn't scream or call the cops. Deacon smiles at her, and suddenly Emmie doesn't want to be so good.

The whole town believes notorious troublemaker Deacon is guilty of assaulting his father. Only Emmie knows a secret that could set him free. If she follows her heart, she could be trusting a killer. . . and you can't always believe the boy next door.

Author Bio

After years as a professional paper-pusher, NATALIE D. RICHARDS decided to trade in reality for a life writing YA fiction. She lives in Ohio (Go Bucks!) with her husband, three children, and a ridiculously furry dog named Yeti. This is her second novel. Visit her on Twitter @natdrichards or at nataliedrichards.com.

The Girl Who Wasn't There

by Penny Joelson

Nothing ever happens on Kasia's street. And Kasia would know, because her illness makes her spend days stuck at home, watching the world from her bedroom window. So when she sees what looks like a kidnapping, she's not sure whether she can believe her own eyes. . .

There was a girl in the window across the street—did she see something too? But when Kasia goes to find her she is told the most shocking thing of all. There is no girl.

Author Bio

Penny Joelson was born in London where she still lives with her husband and two children and teaches creative writing. She began working with disabled people when she was a teenager, which gave her the inspiration and insight for *I Have No Secrets*. Find Penny on Twitter: @pennyjoelson

LEAD

Five Total Strangers

by Natalie D. Richards

From bestselling author Natalie D. Richards comes a pulse-pounding new thriller about a blizzard road trip that turns into a disaster.

She thought being stranded was the worst thing that could happen. She was wrong.

Mira needs to get home for the holidays. Badly. But when an incoming blizzard results in a canceled layover, it looks like Mira might get stuck at the Philadelphia airport indefinitely.

And then Harper, Mira's glamorous seatmate from her initial flight, comes to the rescue. Harper and her three friends are renting a car, and they can drop Mira off on the way home. But as their trip begins, Mira discovers her fellow travelers aren't friends like she thought—they're total strangers. And every one of them seems to be hiding something dangerous.

Soon, Mira is in a panic. The roads have gone from slippery to terrifying. People's belongings are mysteriously disappearing. Someone in the car is clearly lying. . . and Mira begins to suspect that one of them is sabotaging the trip. If she wants to make it home alive, she'll need to uncover the truth about these strangers before this nightmare drive turns fatal.

The Marching Band Nerds Handbook

by DJ Corchin, illustrated by Dan Dougherty

The Marching Band Nerds Handbook is a humorously inspiring guide to surviving life in the marching band world. All the best (and funniest) secrets are revealed in this series of rules and illustrations that, if followed strictly, almost guarantees world domination. Did you know that clarinets are secretly ninjas? Or that even band parents need supervision?

If you've ever taken a step on the marching field or have just driven by a field on the highway, this handbook can solve every problem in your life (actual results may vary)

LEAD

Lightbringer

by Claire Legrand

The incredible conclusion to the trilogy that started with the instant New York Times bestsellers Furyborn and Kingsbane!

In this epic finale to the Empirium Trilogy from New York Times bestselling author Claire Legrand, two queens, separated by a thousand years must face their ultimate destinies.

Queen Rielle, pushed away from everything she loves, turns to Corien and his promises of glory. Meanwhile, whispers from the empirium slowly drive her mad, urging her to open the Gate. Separated from Audric and Ludivine, she embraces the role of Blood Queen and her place by Corien's side, determined to become the monster the world believes her to be.

In the future, Eliana arrives in the Empire's capital as a broken shell of herself. Betrayed and abandoned, she fights to keep her power at bay-and away from Corien, who will stop at nothing to travel back in time to Rielle, even if that means destroying her daughter.

But when the mysterious Prophet reveals themselves at last, everything changes, giving Rielle and Eliana a second chance for salvation-or the destruction their world has been dreading.

Praise for Furyborn:

LEAD

Lightbringer

by Claire Legrand

Queen Rielle, pushed away by her family and friends, is slowly being driven mad by her power, the Empirium whispers to her to open the gate and free the angels, and she's not sure how long she can resist. She turns to the angel Corien, who easily welcomes her and her power.

In the future, Eliana is a broken shell of herself. Betrayed by Simon, and captured along with her brother Remy, she doesn't know if she will be able to escape. At the capital she comes face to face with Corien, who is determined to break her and use her to repair the Empirium.

But when the Prophet, the mysterious force that has been working behind the scenes at every turn, finally reveals themselves, it changes the course of history forever.

Wayward Witch

by Zoraida Cordova

Rose has always been a fixer, but lately she's been feeling lost. She has powers she doesn't understand, and her family is still trying to figure out how to function in the wake of her amnesiac father's return home. Then, on the night of her Death Day party, Rose discovers her father's memory loss has been a lie.

As she rushes to his side, the two are ambushed and pulled through a portal to the land of Adas. Rose is tasked with saving this magical land, and forced to work with a group of other powerful teens to do so. Soon, Rose begins to discover the scope of her powers, the troubling truth about her father's past, and the sacrifices he made to save her sisters. But if Rose wants to return home so that she can repair her broken family, she must figure out how to heal Adas first.

Author Bio

Zoraida Cordova is the award-winning author of *The Vicious Deep* trilogy and the *Brooklyn Brujas* series. Her short fiction has appeared in the New York Times bestselling anthology, *Star Wars: From a Certain Point of View*, and *Toi & Trouble: 16 Tales of Women and Witchcraft*. She is a New Yorker at heart and is currently working on her next novel. Send her a tweet @Zlikeinorro.

Wayward Witch

by Zoraida Cordova

Rose has always been a fixer. But lately she's been feeling lost; she has brand new powers that she doesn't understand, and her family is still trying to figure out how to function in the wake of her amnesiac father's return home. Then, on the night of her Death Day party, Rose discovers her father's memory loss has been a lie.

She rushes to confront him, but before she can say a word, the two are ambushed and pulled through a portal to the land of Adas. Rose is tasked with saving this magical land, and forced to work with a group of other powerful teens to do so. Soon, Rose begins to discover the scope of her powers, and the troubling truth about her father's past and the sacrifices he made to save her sisters. But if Rose can't figure out how to heal Adas, she'll never get the chance to return home and fix her broken family...

Author Bio
