**The follow-up to *The Extinction Agenda* in a series described as Jack Reacher falling into a plot written by Dan Brown" (James Rollins, #1 *New York Times* bestselling author of *Crucible*).**

For centuries, a mysterious syndicate known as the Thirteen has staged a silent coup, infiltrating governments and manipulating the course of world events. It's more powerful than any nation, deadlier than any army. The time has come for it to emerge from the shadows and claim the entire world as its own. And (...)
