Sharing never-before-heard stories ranging from their struggles with depression, eating disorders, and addiction, Karen and Georgia irreverently recount their biggest mistakes and deepest fears, reflecting on the formative life events that shaped them into two of the most followed voices in the nation.

In *Stay Sexy & Don't Get Murdered*, Karen and Georgia focus on the importance of self-advocating and valuing personal safety over being 'nice' or 'helpful.' In many respects, *Stay Sexy & Don't Get Murdered* distills the *My Favorite Murder* podcast into its most essential elements: Georgia and Karen. They lay themselves bare on the page, in all of their neuroses, triumphs, failures, and struggles. From eating disorders to substance abuse and kleptomania to the wonders of therapy, Kilgariff and Hardstark recount their lives with honesty, humor, and compassion, offering their best unqualified life-advice along the way." - *Entertainment Weekly*

## She Wouldn't Change a Thing

by Sarah Adlakha

*Sliding Doors* meets *Life After Life* in Sarah Adlakha's story about a wife and mother who is given the chance to start over at the risk of losing everything she loves.

A second chance is the last thing she wants.

When thirty-nine year old Maria Forssmann wakes up in her seventeen-year-old body, she doesn't know how she got there. All she *does* know is she has to get back: to her home in Bienville, Mississippi, to her job as a successful psychiatrist and, most importantly, to her husband, daughters, and unborn son.

But she also knows that, in only a few weeks, a devastating tragedy will strike her husband, a tragedy that will lead to their meeting each other.

Can she change time and still keep what it's given her?

Exploring the responsibilities love lays on us, the complicated burdens of motherhood, and the rippling impact of our choices, *She Wouldn't Change a Thing* is a dazzling debut from a bright new voice.

For me, a mind-bending story only works if its characters are real and relatable. Sarah Adlakha gets it exactly right in *She Wouldn't Change a Thing*. Her protagonist, faced with impossible, life altering choices, will keep the reader awake at night wondering 'what would I do?'" - Diane Chamberlain, *New York Times* bestselling author of *Big Lies in a Small Town*

## Author Bio

Sarah Adlakha is a native of Chicago and a practicing psychiatrist who now lives along the Gulf Coast of Mississippi with her husband and their three daughters. *She Wouldn't Change a Thing* is her first novel.

## A Bathroom Book for People Not Pooping or Peeing But Using the Bathroom as an Escape

by Joe Pera, illustrated by Joe Bennett

The cozy comedy of Joe Pera meets the darkly playful illustrations of Joe Bennett in *A Bathroom Book for People Not Pooping or Peeing But Using the Bathroom as an Escape*, a funny, warm, and sincere guide to regaining calm and confidence when you're hiding in the bathroom.

Joe Pera goes to the bathroom a lot. And his friend, Joe Bennett, does too. They both have small bladders but more often it's just to get a moment of quiet, a break from work, or because it's the only way they know how to politely end conversations.

So they created a functional meditative guide to help people who suffer from social anxiety and deal with it in this very particular way. Although, it's a comedic book, the goal is to help these readers:

1. Relax
2. Recharge
3. Rejoin the world outside of the bathroom

It's also fun entertainment for people simply hiding in the bathroom to avoid doing work.

*A Bathroom Book for People Not Pooping or Peeing But Using the Bathroom as an Escape* will be waiting in the bathroom like a beacon for anxious readers looking to feel calm, confident, and less alone.

An accomplished photographer and the devoted mom of an adorable little boy, Allie Ross has just moved to an upscale DC suburb, the kind of place where parenting feels like a competitive sport. Allie's desperate to make a good first impression. Then she's framed for murder.

It all starts at a neighborhood party when a local dad corners Allie and calls her by an old, forgotten nickname from her dark past. The next day, he is found dead.

Soon, the police are knocking at her door, grilling her about a supposed Tinder relationship with the man, and pulling up texts between them. She learns quickly that she's been hacked and someone is impersonating her online. Her reputation - socially and professionally - is at stake; even her husband starts to doubt her. As the killer closes in, Allie must reach back into a past she vowed to forget in order to learn the shocking truth of who is destroying her life.

Chet and Bernie are contacted by a terribly scared young woman who seems to want their help. Before she can even tell them her name, she flees in panic. But in that brief meeting Chet sniffs out an important secret about her, a secret at the heart of the mystery he and Bernie set out to solve.

I have been a Chet and Bernie fan from the start. When Chet the dog, "the most lovable narrator in all of crime fiction" ( *Boston Globe* ), and his partner, PI Bernie Little of the desert-based Little Detective Agency, arrive to a meeting with hydrologist Wendell Nero, they are in for a shocking sight - Wendell has come to a violent and mysterious end. What did the hydrologist want to see them about? Is his death a random robbery, or something more? Chet and Bernie, working for nothing more than an eight-pack of Slim Jims, are on the case.

Bernie might be the only one who thinks the police have arrested the wrong man, including the perp's own defense attorney. Chet and Bernie begin to look into Wendell's work, a search that leads to a struggling winemaker who has received an offer he can't refuse.
