Mind over Weight

Curb Cravings, Find Motivation, and Hit Your Number in 7 Simple Steps

by Ian K. Smith, M.D.

Every day of every year, thousands of people start some type of weight loss/transformation journey. Mind over Weight is an important weapon to add to their arsenals.

While eating the right food and exercising is critical to weight loss success, Mind over Weight helps readers win the battle by getting everything in order above the neck. It will guide readers to find their motivation, stick to a plan, and set the right goals.

There are a million diet plans out there, but few address issues equally critical to weight loss success: they're all in the six inches between your ears!

Written by the bestselling author of SHRED and The Clean 20, Mind over Weight is an easy read with concrete steps dieters will be able to follow. Each chapter ends with a takeaway action item for readers to complete to help create an overall strategy for body and life transformation.

Author Bio

Ian K. Smith, M.D. is the #1 New York Times bestselling author of Clean & Lean, The Clean 20, SHRED, SUPER SHRED, The SHRED Power Cleanse, and Blast the Sugar Out. He has created two national health initiatives - the 50 Million Pound Challenge and the Makeover Mile - and has served two terms on the President's Council on Fitness, Sports, and Nutrition. A graduate of Harvard, Columbia, and the University of Chicago's Pritzker School of Medicine, Smith is an avid fitness enthusiast and sportsman.

Big Lies in a Small Town

A Novel

by Diane Chamberlain

North Carolina, 2018: Morgan Christopher's life has been derailed. Taking the fall for a crime she did not commit, she finds herself serving a three-year stint in the North Carolina Women's Correctional Center. Her dream of a career in art is put on hold - until a mysterious visitor makes her an offer that will see her released immediately. Her assignment: restore an old post office mural in a sleepy southern town. Morgan knows nothing about art restoration, but desperate to leave prison, she accepts. What she finds under the layers of grime is a painting that tells the story of madness, violence, and a conspiracy of small town secrets.

North Carolina, 1940: Anna Dale, an artist from New Jersey, wins a national contest to paint a mural for the post office in Edenton, North Carolina. Alone in the world and desperate for work, she accepts. But what she doesn't expect is to find herself immersed in a town where prejudices run deep, where people are hiding secrets behind closed doors, and where the price of being different might just end in murder.

What happened to Anna Dale? Are the clues hidden in the decrepit mural? Can Morgan overcome her own demons to discover what exists beneath the layers of lies?

A Palm Beach Post 2020 Recommendation

Compelling. . . [A] good, captivating and ultimately satisfying story." - *Greensboro News & Record*

"Chamberlain is more than a terrific writer. She's incisive and understands people." - *The Star-Ledger*

"Chamberlain's depictions of creative beauty and perseverance across time and in the face of inevitable obstacles will keep readers turning the pages." - *Publishers Weekly*

Tombstone

The Earp Brothers, Doc Holliday, and the Vendetta Ride from Hell

by Tom Clavin

On the afternoon of October 26, 1881, eight men clashed in what would be known as the most famous shootout in American frontier history. Thirty bullets were exchanged in thirty seconds, killing three men and wounding three others.

The fight sprang forth from a tense, hot summer. Cattle rustlers had been terrorizing the back country of Mexico and selling the livestock they stole to corrupt ranchers. The Mexican government built forts along the border to try to thwart American outlaws, while Arizona citizens became increasingly agitated. Rustlers, who became known as the cow-boys, began to kill each other as well as innocent citizens. That October, tensions boiled over with Ike and Billy Clanton, Tom and Frank McLaury, and Billy Claiborne confronting the Tombstone marshal, Virgil Earp, and the suddenly deputized Wyatt and Morgan Earp and shotgun-toting Doc Holliday.

Bestselling author Tom Clavin peers behind decades of legend surrounding the story of Tombstone to reveal the true story of the drama and violence. Tombstone also digs deep into the vendetta ride that followed the tragic gunfight, when Wyatt and Warren Earp and Holliday went vigilante to track down the likes of Johnny Ringo, Curly Bill Brocius, and other cowboys who had cowardly gunned down his brothers. That "vendetta ride" would make the myth of Wyatt Earp complete and punctuate the struggle for power in the American frontier's last boom town.

Clavin's out to dispel the myths. . . [interjecting] some wry commentary into his breezy narrative style. . . It's all through fascinating lore. And would you believe that the gunfight at the OK Corral didn't even (...)

Author Bio

TOM CLAVIN is a #1 New York Times bestselling author and has worked as a newspaper and web site editor, magazine writer, TV and radio commentator, and a reporter for The New York Times. He has received awards from the Society of Professional Journalists, Marine Corps Heritage Foundation, and National Newspaper Association. His books include The Heart of Everything That Is, Halsey's Typhoon, and Reckless. He lives in Sag Harbor, NY.

Tears We Cannot Stop
A Sermon to White America
by Michael Eric Dyson

Published in the wake of the last presidential election, *Tears We Cannot Stop* spent two months on the New York Times bestseller list. Michael Eric Dyson argues that if we are to make real racial progress, we must face difficult truths, including being honest about how black grievance has been ignored, dismissed, or discounted. As Dyson writes, "The problem is you do not want to know anything different from what you think you know. . . You think we have been handed everything because we fought your selfish insistence that the world, all of it - all its resources, all its riches, all its bounty, all its grace - should be yours first and foremost, and if there's anything left, why then we can have some, but only if we ask politely and behave gratefully."

Short, emotional, literary, and powerful, this modern classic is required reading for all Americans who care about the current and long-burning crisis in race relations.

Anguish and hurt throb in every word of Michael Eric Dyson's *Tears We Cannot Stop* . . . It is eloquent, righteous, and inspired. . . Often lyrical, *Tears* is not. . . without indignation. . . brilliance and rectitude." - *The Philadelphia Inquirer*

"Dyson. . . creates a sermon unlike any we've heard or read, and it's right on time. . . an unapologetically bold plea for America to own up to its inexplicable identity anxiety." - *Essence*

"[Dyson's] narrative voice carries a deeper and more intimate authority, as it grows from his own experience as a black man in America - from being beaten by his father to being profiled by the police to dealing with his brother's long-term incarceration. . . Dyson's raw honesty and self-revelation enables him to confront his white audience and reach out to them." - *The Chicago Tribune*

"Be ready to (...)

The Glittering Hour

A Novel

by Iona Grey

Selina Lennox is a Bright Young Thing. Her life is a whirl of parties and drinking, pursued by the press and staying on just the right side of scandal, all while running from the life her parents would choose for her.

Lawrence Weston is a penniless painter who stumbles into Selina's orbit one night and can never let her go even while knowing someone of her stature could never end up with someone of his. Except Selina falls hard for Lawrence, envisioning a life of true happiness. But when tragedy strikes, Selina finds herself choosing what's safe over what's right.

Spanning two decades and a seismic shift in British history as World War II approaches, Iona Grey's *The Glittering Hour* is an epic novel of passion, heartache and loss.

Praise for *The Glittering Hour*:

* A Must-Read" for PopSugar! *

* A December Recommend from Book Riot! *

". . . a riveting historical epic about the choices that haunt us." - *Refinery29*

"An absorbing tale of love, loss, and the ties that bind. . . A sweeping historical saga that captures the desires and dilemmas of the heart." - *Booklist*

" *The Glittering Hour* is an exceptional novel about choosing how to live amid powerful grief and true love. For readers looking for a tremendously entertaining, emotionally charged story, look no further. *The Glittering Hour* is just the ticket." - *BookPage*

"This sweeping history is sure to be a tearjerker." - *Publishers Weekly*

What's Worth Keeping

by Kaya McLaren

The day her doctor says the one word that no one wants to hear, Amy Bergstrom discovers a secret that her husband of 25 years has been keeping from her. Now that the months of treatment and surgeries are behind her, she escapes her claustrophobic life seeking healing, peace and clarity in an ancient forest in Washington State, a forest that holds memories of her childhood summers.

After dropping off his daughter at Amy's Aunt Rae's horse ranch in the mountains of New Mexico, Officer Paul Bergstrom visits the fixer-upper he had bought years ago as a place to retire with his family. Although it appears fine on the outside, the inside is a disaster - just like his marriage. When he finds himself with more off-duty time than he expected, he lovingly repairs his dream home, building the future he so desperately wants.

Witnessing her mother's health crisis had been terrifying enough, but learning the cause was genetic leaves Carly with the sense that all of her dreams are pointless. With the help of her eccentric great aunt and a Clydesdale named T. Rex, Carly just may find her faith in her future again.

Amy, Paul, and Carly discover that love and family are worth keeping in this powerful, emotional, and hopeful novel.

A book as wise and unflinching as an old growth forest, filled with the capricious beauty and brutality of life. Kaya McLaren gives us a powerful, deeply moving story of a family in desperate need of healing and the paths each of them must walk to find it, and shows us how we might all find hope if we can pause long enough to listen to the whispers of nature."-Barbara O'Neal, Wall Street Journal, Washington Post, and Amazon Charts #1 bestselling author of *When We Believed in Mermaids*

Author Bio

KAYA MCLAREN lives on the east slope of the Cascade Mountains in Washington State where she writes and teaches middle school art. In her spare time, she loves to hike and SUP with her dog Frida, as well as bicycle, ski, kayak, and visit as many national parks and hot springs as possible.

The Last Passenger
A Charles Lenox Mystery
by Charles Finch

London, 1855. A young and eager Charles Lenox faces his toughest case yet: a murder without a single clue. Slumped in a third-class car at Paddington Station is the body of a handsome young gentleman. He has no luggage, empty pockets, and no sign of identification on his person. And putting together the clues to the mystery of the man's identity only raises more questions, when Lenox discovers that the crime has a significant connection to America.

As he seeks to solve this impossible case, the young Lenox must confront an equally troublesome problem in his personal life. Kitty Ashbrook, beautiful and cultured, appears to be his soulmate - but love comes with obstacles of its own. In tandem, this fiendish early case and passionate, deeply felt affair will irrevocably shape the brilliant detective and thoughtful gentleman Lenox is destined to become.

Written in Charles Finch's unmistakably witty and graceful voice, *The Last Passenger* is a cunning, thrilling, and deeply satisfying conclusion to this trilogy of prequels to his bestselling Charles Lenox series.

Praise for *The Last Passenger*:

Smashing. . . That's the charm of Finch's style and [Lenox's] own manner of sleuthing - a brilliant display of brainy deduction. . . classy writing and beguiling details." - *The New York Times Book Review*

"No mystery writer except perhaps Anne Perry is as successful as Charles Finch at evoking the atmosphere of Victorian London." - *The Washington Post*

"Seriously satisfying." - *AirMail*

"Avid mystery readers will enjoy Lenox's thorough review of his sleuthing process. . . choose this if you revel in atmosphere." - *Kirkus Reviews*

"This tightly plotted mystery. . . is rich in historical detail.

Author Bio

CHARLES FINCH is the USA Today bestselling author of the Charles Lenox mysteries, including *The Vanishing Man*. His first contemporary novel, *The Last Enchantments*, is also available from St. Martin's Press. Finch received the 2017 *Nova* Detective Citation for Excellence in Reviewing from the

Ten Rules for Faking It

by Sophie Sullivan

Once you start reading, you won't be able to put it down." - Lyssa Kay Adams, author of *The Bromance Book Club*

What happens when your love life becomes the talk of the town?

As birthdays go, this year's for radio producer Everly Dean hit rock-bottom.

Worse than the "tonsillectomy birthday." Worse than the birthday her parents decided to split (the first time). But catching your boyfriend cheating on you with his assistant?

Even clichés sting.

But this is Everly's year! She won't let her anxiety hold her back. She'll pitch her podcast idea to her boss.

There's just one problem.

Her boss, Chris, is *very* cute. (Of course). Also, he's extremely distant (which means he hates her, right? Or (...))

Author Bio

SOPHIE SULLIVAN is a Canadian author as well as a cookie-eating, Diet Pepsi-drinking, Disney enthusiast who loves reading and writing romance in almost equal measure. She writes around her day job as a teacher and spends her spare time with her sweet family watching reruns of Friends. *Ten Rules For Faking It* is her romcom debut novel, but she's had plenty of practice writing happily ever after as her alter ego, Jody Holford.

Let the People Pick the President

The Case for Abolishing the Electoral College

by Jesse Wegman

The framers of the Constitution battled over it. Lawmakers have tried to amend or abolish it more than 700 times. To this day, millions of voters, and even members of Congress, misunderstand how it works. It deepens our national divide and distorts the core democratic principles of political equality and majority rule. How can we tolerate the Electoral College when every vote does not count the same, and the candidate who gets the most votes can lose?

Now, as political passions reach a boiling point at the dawn of the 2020 race, the message from the American people is clear: The way we vote for the only official whose job it is to represent all Americans is neither fair nor just. Major reform is needed - now. Isn't it time to let the people pick the president?

In this thoroughly researched and engaging call to arms, Supreme Court journalist and New York Times editorial board member Jesse Wegman draws upon the history of the founding era, as well as information gleaned from campaign managers, field directors, and other officials from twenty-first-century Democratic and Republican presidential campaigns, to make a powerful case for abolishing the antiquated and antidemocratic Electoral College. In *Let the People Pick the President* he shows how we can at long last make every vote in the United States count - and restore belief in our democratic system.

Was it a mistake to create the Electoral College? Jesse Wegman argues that it was. This timely and erudite work should interest all who are interested in the future of the United States." - Annette (...)

Author Bio

JESSE WEGMAN is a member of the New York Times editorial board, where he has written about the Supreme Court and legal affairs since 2013. He previously worked as a reporter, editor and producer at outlets including National Public Radio, The New York Observer, Reuters, The Daily Beast and Newsweek. He graduated from New York University School of Law in 2005.

Westering Women

A Novel

by Sandra Dallas

If you are an adventuresome young woman of high moral character and fine health, are you willing to travel to California in search of a good husband?"

It's February, 1852, and all around Chicago, Maggie sees the postings soliciting "eligible women" to travel to the gold mines of Goosetown. A young seamstress with a small daughter and several painful secrets, she has nothing to lose. So she joins forty-three other women and two pious reverends on the dangerous 2,000-mile journey west. None of them are prepared for the hardships they face on the trek through the high plains, mountains, and deserts, or for the triumphs of finding strengths they did not know they possessed. And not all will make it. Maggie soon discovers that she's not the only one looking to leave dark secrets behind. And when her past catches up with her, it becomes clear a band of sisters will do whatever it takes to protect one of their own.

Named one of 10 New Books By Colorado Authors That Deserve More Attention" by the *Denver Post*

"Dallas' 'quintessential American voice' (as *Vogue* once called it) still resonates, perhaps even more loudly in our newly disconnected caves." - *Denver Post*

"Exhilarating and hard to resist." - **Katherine Powers, *The Washington Post***

"Dallas has written an engaging historical fiction about the strength of women in times of adversity." - *Library Journal*

"Dallas focuses on a motley group of women who form a bond traveling to California on the Overland Trail. . . Readers will enjoy this modern take on the journey West that's rife with girl power (...)

Author Bio

SANDRA DALLAS was dubbed "a quintessential American voice" by Jane Smiley in *Vogue*. She's the author of more than a dozen novels - including *The Bride's House*, *Whiter Than Snow*, *The Persian Pickle Club*, and *Tallgrass* - which have been translated into a dozen languages and optioned for film. She has won the National Cowboy and Western Heritage Museum Wrangler Award, the Western Writers of America Spur Award, and the Women Writing the West Willa Award multiple times. She lives in Colorado.

The Hollows

A Novel

by Jess Montgomery

Ohio, 1926: For many years, the railroad track in Moonvale Tunnel has been used as a shortcut through the Appalachian hills. When an elderly woman is killed walking along the tracks, the brakeman tells tales of seeing a ghostly female figure dressed all in white.

Newly elected Sheriff Lily Ross is called on to the case to dispel the myths. With the help of her friends Marvena Whitcomb and Hildy Cooper, Lily follows the woman's trail to The Hollows - a notorious asylum - and they begin to expose dark secrets long-hidden by time and the mountains.

Author Bio

JESS MONTGOMERY is the Literary Life columnist for the Dayton Daily News and former executive director of the renowned Antioch Writers' Workshop in Yellow Springs, Ohio. Based on early chapters of the novel, Jess was awarded an Ohio Arts Council individual artist's grant for literary arts and the John E. Nance Writer-in-Residence at Thurber House in Columbus. She lives in her native state of Ohio.

There's No Plan B for Your A-Game

Be the Best in the World at What You Do

by Bo Eason

Can you become the best in the world at what you do? This book shows you how.

At nine years old, Bo Eason set a goal: to become the best free safety in the NFL. A scrawny kid from a small town, he was at first rejected by both his high school and college teams. But he went all-in, was drafted by the Houston Oilers in 1984, and became an All-Pro. Then he set a new goal: to become a great stage actor, though he had no background in theater. But he rehearsed constantly, sought out Al Pacino for guidance, and then wrote and acted in a one-man play that The New York Times called "one of the most powerful plays in the last decade."

Then he set yet another goal: to use his experience to teach others how to achieve their dreams. Bo Eason is now one of the most in-demand motivational speakers in the world, with numerous Fortune 500 company clients. In his first book, Bo Eason shows anyone how to be the best at what they do: the best leader, the best athlete, the best partner, the best parent. There's No Plan B for Your A-Game focuses on a winning four-step process:

Declaration: what do you want to achieve?; Preparation: how can you make it happen?; Acceleration: how will you find the motivation to achieve your goal?; Domination: how do you take others with you?

Anyone has the ability to be great; we're born with it. Using inspiring, practical guidance coupled with absolute accountability, Bo (...)

Author Bio

BO EASON is a former NFL star, acclaimed playwright of Runt of the Litter which had an extended off-Broadway run, life coach, and corporate trainer with clients including Mass Mutual, Merrill Lynch, Guardian, and Bank of America. He is the cofounder of World's Greatest Speaker Training with bestselling author Brendon Burchard and a senior fellow with CEG Worldwide, a company that offers resources for financial advisors. He lives with his wife, Dawn, and their three children in California.

 A THOMAS DUNNE BOOK

All the Best Lies

A Mystery

by Joanna Schaffhausen

Joanna Schaffhausen's *All the Best Lies* is the highly anticipated third novel in the award-winning Ellery Hathaway mystery series.

FBI agent Reed Markham is haunted by one painful unsolved mystery: who murdered his mother? Camilla was brutally stabbed to death more than forty years ago while baby Reed lay in his crib mere steps away. The trail went so cold that the Las Vegas Police Department has given up hope of solving the case. But then a shattering family secret changes everything Reed knows about his origins, his murdered mother, and his powerful adoptive father, state senator Angus Markham. Now Reed has to wonder if his mother's killer is uncomfortably close to home.

Unable to trust his family with the details of his personal investigation, Reed enlists his friend, suspended cop Ellery Hathaway, to join his quest in Vegas. Ellery has experience with both troubled families and diabolical murderers, having narrowly escaped from each of them. She's eager to skip town, too, because her own father, who abandoned her years ago, is suddenly desperate to get back in contact. He also has a secret that could change her life forever, if Ellery will let him close enough to hear it.

Far from home and relying only on each other, Reed and Ellery discover young Camilla had snared the attention of dangerous men, any of whom might have wanted to shut her up for good. They start tracing his twisted family history, knowing the path leads back to a vicious killer - one who has been hiding in plain sight for forty years and isn't about to give up now.

Author Bio

Joanna Schaffhausen wields a mean scalpel, skills developed in her years studying neuroscience. She has a doctorate in psychology, which reflects her long-standing interest in the brain - how it develops and the many ways it can go wrong. Previously, she worked for ABC News, writing for programs such as *World News Tonight*, *Good Morning America*, and *20/20*. She lives in the Boston area with her husband and daughter. *The Vanishing Season* is her first novel.

Make Up Break Up

A Novel

by Lily Menon

Love, romance, second chances, fairy-tale endings. . . these are the things Annika Dev believes in. Her app, Make Up, has been called the "Google Translate for failing relationships."

High efficiency break-ups, flashy start-ups, penthouses, fast cars. . . these are the things Hudson Craft believes in. His app, Break Up, is known as the "Seamless for break-ups." It's wildly successful - and anathema to Annika's life philosophy.

Which wouldn't be a problem if they'd gone their separate ways after that summer fling in Las Vegas, never to see each other again. Unfortunately for Annika, Hudson's moving not just into her office building, but into the office right next to hers. As if it's not bad enough seeing his irritatingly perfect face on magazine covers when her own business is failing. As if knowing he stole her idea and twisted it into something vile - and monumentally more successful - didn't already make her stomach churn.

As the two rival app developers clash again and again - and again - Annika finds herself drawn into Hudson Craft's fast-paced, high velocity, utterly shallow world. Only, from up close, he doesn't seem all that shallow. Could it be that everything she thought about Hudson is completely wrong? Could the creator of Break Up teach her what true love's really about?

A charming, fun and fast-paced hate-to-love romance set in the hyper-competitive world of LA's Silicon Beach. Enjoyable from the very first page (...)

Author Bio

LILY MENON has always been enamored of romantic comedies and happily-ever-afters in all shapes and sizes. Her very first love story, written at age nine, was about a handsome boy who wooed the heroine with books, chocolates, and a very fat puppy. Now Lily lives with her own handsome boy (who indeed wooed her with books, chocolates, and fat puppies) in the mountains of Colorado, where she spends her days dreaming up kissing scenes and meet-cutes. Visit her on the web at www.lilymenon.com.

Been There, Married That

A Novel

by Gigi Levangie

In a world where therapists look like the Real Housewives of Equinox, where friends dispense Xanax like Pez, and where a woman's status is directly linked to the how few carbs she eats. . .can one Hollywood wife take back her life?

Agnes Murphy Nash is in big trouble. When she returns home one evening only to find the locks changed on the gates of their mansion, the security guard breaks the news: her famous producer husband has filed for divorce. And he's not going to play fair. Trevor Nash wants custody of their tween daughter, Pep, but only for the sake of appearances. And Agnes can't let him win. With the help of her ex-con sister, a Hollywood psychic, a ballsy female lawyer, and a host of friends and "frenemies," Agnes realizes that when he changes the locks, she needs to change the rules. But a crisis can lead to opportunity, and for Agnes, this gigantic betrayal brings her to a crossroads that will have her asking herself what she really wants out of life, who she really wants to be, and which man she really loves. Told with Gigi Levangie's sparkling dialogue and wit, *Been There, Married That* is a drop-dead hilarious battle of wills that will make you laugh out loud, cringe, and keep turning the pages to see what crazy disaster will happen to Agnes next. . .and how she'll rise from the ashes.

One of PopSugar's 22 of the Best Books Winter Has to Offer"

Labyrinth of Ice

The Triumphant and Tragic Greely Polar Expedition

by Buddy Levy

In July 1881, Lt. A.W. Greely and his crew of 24 scientists and explorers were bound for the last region unmarked on global maps. Their goal: Farthest North. What would follow was one of the most extraordinary and terrible voyages ever made.

Greely and his men confronted every possible challenge - vicious wolves, sub-zero temperatures, and months of total darkness - as they set about exploring one of the most remote, unrelenting environments on the planet. In May 1882, they broke the 300-year-old record, and returned to camp to eagerly await the resupply ship scheduled to return at the end of the year. Only nothing came.

250 miles south, a wall of ice prevented any rescue from reaching them. Provisions thinned and a second winter descended. Back home, Greely's wife worked tirelessly against government resistance to rally a rescue mission.

Months passed, and Greely made a drastic choice: he and his men loaded the remaining provisions and tools onto their five small boats, and pushed off into the treacherous waters. After just two weeks, dangerous floes surrounded them. Now new dangers awaited: insanity, threats of mutiny, and cannibalism. As food dwindled and the men weakened, Greely's expedition clung desperately to life.

Labyrinth of Ice tells the true story of the heroic lives and deaths of these voyagers hell-bent on fame and fortune - at any cost - and how their journey changed the world.

An engaging, superbly written, and meticulously researched chronicle of the Greely expedition that proves it is one of the most engaging adventure narratives ever. With cinematic prose, great economy of (...)

The Address Book

What Street Addresses Reveal About Identity, Race, Wealth, and Power

by Deirdre Mask

When most people think about street addresses, if they think of them at all, it is in their capacity to ensure that the postman can deliver mail or a traveler won't get lost. But street addresses were not invented to help you find your way; they were created to find you. Addresses arose out of a grand Enlightenment project to name and number the streets, but they are also a way for people to be identified and tracked by those in power. As Deirdre Mask explains, the practice of numbering houses was popularized in eighteenth-century Vienna by Maria Theresa, leader of the Hapsburg Empire, to tax her subjects and draft them into her military. In many parts of the world, your address can reveal your race and class, causing them to be a shorthand for snobbery or discrimination. In this wide-ranging and remarkable book, Mask looks at the fate of streets named after Martin Luther King, Jr., the wayfinding means of ancient Romans, how Nazis haunt the streets of modern Germany, and why numbered streets dominate in America but not in Europe. The flipside of having an address is not having one, and we see what that means for millions of people today, including those who live in the slums of Kolkata, on the streets of London, or in post-earthquake Haiti.

Filled with fascinating people and histories, *The Address Book* illuminates the complex and sometimes hidden stories behind street names and their power to name, to hide, to decide who counts, who doesn't - and why.

An entertaining quest to trace the origins and implications of the names of the roads on which we reside. . . . *The Address Book* is [Mask's] first book, and she is already (...)

For the Love of Men

From Toxic to a More Mindful Masculinity

by Liz Plank

In 2019, traditional masculinity is both rewarded and sanctioned. Men grow up being told that boys don't cry and dolls are for girls (a newer phenomenon than you might realize - gendered toys came back in vogue as recently as the 80s). They learn they must hide their feelings and anxieties, that their masculinity must constantly be proven. They must be the breadwinners, they must be the romantic pursuers. This hasn't been good for the culture at large: 99% of school shooters are male; men in fraternities are 300% (!) more likely to commit rape; a woman serving in uniform has a higher likelihood of being assaulted by a fellow soldier than to be killed by enemy fire.

In *For the Love of Men*, Liz offers a smart, insightful, and deeply-researched guide for what we're all going to do about toxic masculinity. For both women looking to guide the men in their lives and men who want to do better and just don't know how, *For the Love of Men* will lead the conversation on men's issues in a society where so much is changing, but gender roles have remained strangely stagnant.

What are we going to do about men? Liz Plank has the answer. And it has the possibility to change the world for men and women alike.

A tender, intelligent meditation on why now, more than ever, men deserve more." - **Teen Vogue**

"A near-forensically reported examination of modern masculinity and an urgent call to action." - **Vogue**

"[A] timely, gimlet-eyed book about toxic masculinity. With sparkling wit and razor-sharp cultural criticism, Plank investigates toxic masculinity and the threat it poses not just to women, children, and society, but to the emotional wellbeing of men themselves.

Author Bio

LIZ PLANK is a senior producer and correspondent at Vox.com where she is the executive producer and host of an upcoming video series on Comcast Watchable and podcast for Vox Media. She is also the executive producer of Vox.com's Shorty Award-winning series about the 2016 presidential election called 2016ish where she interviewed key figures like Canadian Prime Minister Justin Trudeau, Michael Moore, Tony Goldwyn, Joss Whedon, and Hope Solo. Liz was also named Mediaite's 2016 Most Influential in News Media, has presented a TEDx Talk about modern masculinity called

Billion Dollar Brand Club

How Dollar Shave Club, Warby Parker, and Other Disruptors Are Remaking What We Buy

by Lawrence Ingrassia

Dollar Shave Club and its hilarious marketing. Casper mattresses popping out of a box. Third Love's better-fitting, half-cup-size bras. Warby Parker mailing you five pairs of glasses to choose from. You've seen their ads. You (or someone you know) use their products. Each may appear, in isolation, as a rare David with the bravado to confront a Goliath, but taken together they represent a seismic shift in a business model that has lasted more than a century.

As Lawrence Ingrassia shows in this timely and eye-opening book, a growing number of digital entrepreneurs have found new and creative ways to crack the code on the bonanza of physical goods that move through our lives every day. They have discovered that manufacturing, marketing, logistics, and customer service have all been flattened - where there were once walls that protected big brands like Gillette, Sealy, Victoria's Secret, or Lenscrafters, savvy and hungry innovators now can compete on price, value, quality, speed, convenience, and service.

Billion Dollar Brand Club reveals the world of the entrepreneurs, venture capitalists, and corporate behemoths battling over this terrain. And what fun it is. It's a massive, high-stakes business saga animated by the personalities, flashes of insight, and stories behind the stuff we use every day.

Keen storytelling and painstaking reporting . . . [with] the pacing of a literary thriller. . . [Ingrassia] ferrets out the most compelling, consequential stories and people behind the direct-to-consumer revolution." - *The New York Times Book Review*

"Far more than a journalistic take on unorthodox online retailers . . . [Ingrassia] offers an insightful description of how entrepreneurs (...)

Why You Should Be a Socialist

by Nathan J. Robinson

America is witnessing the rise of a new generation of socialist activists. More young people support socialism now than at any time since the labor movement of the 1920s. The Democratic Socialists of America, a big-tent leftist organization, has well over 50,000 members nationwide. In the fall of 2018, one of the most influential congressmen in the Democratic Party lost a primary to Alexandria Ocasio-Cortez, a 28-year-old socialist who had never held office before. Now, AOC is one of the most influential politicians in the country.

But what does all this mean? Should we be worried about our nation, or should we join the march toward our bright socialist future? In *Why You Should Be a Socialist*, Nathan J. Robinson will give readers a primer on twenty-first-century socialism: what it is, what it isn't, and why everyone should want to be a part of this exciting new chapter of American politics.

From the heyday of Occupy Wall Street through the 2020 presidential election and beyond, young progressives have been increasingly drawn to socialist ideas. However, the movement's goals need to be defined more sharply before it can effect real change on a national scale. Robinson's charming, accessible, and well-argued book will convince even the most skeptical readers of the merits of socialist thought.

Nathan Robinson's articles, and *Current Affairs* generally, have been consistently challenging and thought-provoking, with incisive critique and informative discussion, lucid and provocative, and focused on well-chosen issues of major significance. I find myself regularly recommending Robinson's articles to others, and re-reading (...)

Author Bio

NATHAN J. ROBINSON is a leading voice of millennial left politics. He is the editor of *Current Affairs*, a print magazine of political and cultural analysis, and a political columnist at *The Guardian*. His work has appeared in *The New York Times*, *The Washington Post*, *The New Republic*, *The Nation*, and elsewhere. A graduate of Yale Law School, he is a PhD student in Sociology and Social Policy at Harvard University, where his work focuses on contemporary left social movements.

The K Team

by David Rosenfelt

Corey Douglas and his K-9 partner, Simon Garfunkel, have recently retired from the police force. Not ready to give up the life yet, they come up with a proposal for fellow former cop, Laurie Collins, and her investigating partner, Marcus. Laurie and Marcus - who help out Laurie's lawyer husband Andy on cases - have been chafing to jump back into investigating on their own, so they are in.

They call themselves the K Team, in honor of Simon. Their first job as private investigators comes to them from Judge Henry Henderson, who's known as a very tough but fair judge, and they've all come up against him in court at one time or another. Though it's hard to believe, Judge Henderson is being blackmailed and extorted, and he doesn't want to involve the police - he needs the K Team to figure out why.

From bestselling mystery author David Rosenfelt comes a new series - a spinoff of the much beloved Andy Carpenter mysteries - about a dynamic new investigative team featuring a determined former cop and his loyal German Shepherd.

Author Bio

DAVID ROSENFELT is the Edgar-nominated and Shamus Award-winning author of twenty Andy Carpenter novels, most recently Dachshund Through the Snow; nine stand-alone thrillers; two non-fiction titles; and The K Team, the first in a new series featuring some of the characters from the Andy Carpenter series. After years of living in California, he and his wife moved to Maine with twenty-five of the four thousand dogs they have rescued.

Rachel Maddow

A Biography
by Lisa Rogak

Rachel Maddow has beaten the odds in a way that's novel in today's America: she uses her brain.

In a world of banal and opinionated soundbites, she regularly crushes Sean Hannity's ratings thanks to her deeply researched reports. In our highly polarized world, Maddow amiably engages the staunchest conservatives. And she never hesitates to expose their light-on-facts defenses.

As a result, she's become the top anchor for MSNBC and a beloved representative for all that progressive America holds dear. Her millions of viewers will be surprised and intrigued by all the little-known details of her life.

Growing up in a conservative California town - and viewing herself as a perennial outsider - helped spark an early interest in activism. After attending Stanford and Oxford, she opted for a minimum-wage job as a radio DJ in a tiny Massachusetts market while finishing her Ph.D. She planned to pursue a career as an activist, but 9/11 changed all that, so she returned to local radio where she could help listeners by "explaining stuff." A stint at Air America raised her national profile, which led to her groundbreaking MSNBC show.

After reading her biography by New York Times bestselling author Lisa Rogak, you'll watch it in a whole new light.

Flattering. . . pleasant. . . thoroughly researched." - *Publishers Weekly*

The Wife and the Widow

by Christian White

The second standalone thriller from Christian White, the award-winning author of *The Nowhere Child*.

Set against the backdrop of an eerie island town in the dead of winter, *The Wife and The Widow* is an unsettling thriller told from two perspectives: Kate, a widow whose grief is compounded by what she learns about her dead husband's secret life; and Abby, an island local whose world is turned upside down when she's forced to confront the evidence of her husband's guilt. But nothing on this island is quite as it seems, and only when these women come together can they discover the whole story about the men in their lives.

Brilliant and beguiling, *The Wife and The Widow* takes you to a cliff edge and asks the question: how well do we really know the people we love?

Author Bio

Christian White is an internationally bestselling and award-winning Australian author and screenwriter. His debut novel, *The Nowhere Child*, won the 2017 Victorian Premier's Literary Award and screen rights were quickly acquired by Anonymous Content (US) and Carver Films (Australia). He also co-wrote *Relic*, a feature film starring Emily Mortimer. Christian lives in Melbourne with his wife and their adopted greyhound.

Twenty-one Truths About Love

A Novel

by Matthew Dicks

Daniel Mayrock's life is at a crossroads. He knows the following to be true:

1. He loves his wife Jill. . . more than anything.
2. He only regrets quitting his job and opening a bookshop a little (maybe more than a little)
3. Jill is ready to have a baby.
4. The bookshop isn't doing well. Financial crisis is imminent. Dan doesn't know how to fix it.
5. Dan hasn't told Jill about their financial trouble.
6. Then Jill gets pregnant.

This heartfelt story is about the lengths one man will go to and the risks he will take to save his family. But Dan doesn't just want to save his failing bookstore and his family's finances:

1. Dan wants to do something special.
2. He's a man who is tired of feeling ordinary.
3. He's sick of feeling like a failure.
4. He doesn't want to live in the shadow of his wife's deceased first husband.

Dan is also an obsessive list maker; his story unfolds entirely in his lists, which are brimming with Dan's hilarious sense of humor, unique (...)

A Good Neighborhood

A Novel

by Therese Anne Fowler

What happens when you try to do the right thing but it all goes wrong?

In Oak Knoll, a verdant, tight-knit North Carolina neighborhood, professor of forestry and ecology Valerie Alston-Holt is raising her bright and talented biracial son Xavier, who's headed to college in the fall. After years of single parenting, Valerie, a widow, faces the prospect of an empty nest. All is well until the Whitmans - a traditional family with new money and a secretly troubled teenaged daughter - raze the house and trees next door to build themselves a showplace.

With little in common except a property line, these two very different families quickly find themselves at odds: first, over an historic oak tree in Valerie's yard, and soon after, the blossoming romance between their two teenagers.

A Good Neighborhood asks big questions about life in America today - what does it mean to be a good neighbor? How do we live alongside each other when we don't see eye to eye - as it explores the effects of class, race, and heartrending love in a story that's as provocative as it is powerful.

Praise for Therese Anne Fowler:

"A provocative, absorbing read." - *People*

"Thought-provoking and fast-paced" - Good Morning America

"Riveting. . . Fowler empathetically conjures nuanced characters we won't soon forget, expertly weaves together their stories, and imbues the plot with a sense of inevitability and urgency. In the end, she offers an opportunity for catharsis as well (...)

Author Bio

THERESE ANNE FOWLER is the author of the New York Times bestselling novels *Z: A Novel of Zelda Fitzgerald* and *A Well-Behaved Woman*. Raised in the Midwest, she moved to North Carolina in 1995. She holds a BA in sociology/cultural anthropology and an MFA in creative writing from North Carolina State University.

Float Plan

by Trish Doller

Critically acclaimed author Trish Doller's unforgettable and romantic adult debut about setting sail, starting over, and finding yourself

Since the loss of her fiancé, Anna has been shipwrecked by grief - until a reminder goes off about a trip they were supposed to take together. Impulsively, Anna goes to sea in their sailboat, intending to complete the voyage alone.

But after a treacherous night's sail, she realizes she can't do it by herself and hires Keane, a professional sailor, to help. Much like Anna, Keane is struggling with a very different future than the one he had planned. As romance rises with the tide, they discover that it's never too late to chart a new course.

Trish Doller's unforgettable adult debut, *Float Plan*, reminds readers that starting over doesn't mean forgetting: you can build a new home, right alongside the old.

In Trish Doller's *Float Plan*, strangers Anna and Keane, who are trying to escape their respective tragedies, must learn to rely on themselves, and each other, or lose more than they already have. Gorgeous scenery, evocative storylines and plenty of tension - I devoured this book - a must read for fans of armchair travel and magnetic love stories!" - Karma Brown, bestselling author of *Recipe for a Perfect Wife*

"The perfect escape. Fresh, funny, and romantic. Trish Doller creates smart and sensitive characters who seem all too heartbreakingly real. I wish I could sail away with this book." - Meg Cabot, *New York Times* bestselling author of *The Princess Diaries* and *Little Bridge* series

Author Bio

TRISH DOLLER is the author of novels for teens and adults about love, life, and finding your place in the world. A former journalist and radio personality, Trish has written several YA novels, including the critically acclaimed *Something Like Normal*, as well as *Float Plan*, her adult women's fiction debut. When she's not writing, Trish loves sailing, traveling, and avoiding housework. She lives in southwest Florida with an opinionated herding dog and an ex-pirate.

Float Plan

by Trish Doller

Critically acclaimed author Trish Doller's unforgettable and romantic adult debut about setting sail, starting over, and finding yourself

Since the loss of her fiancé, Anna has been shipwrecked by grief - until a reminder goes off about a trip they were supposed to take together. Impulsively, Anna goes to sea in their sailboat, intending to complete the voyage alone.

But after a treacherous night's sail, she realizes she can't do it by herself and hires Keane, a professional sailor, to help. Much like Anna, Keane is struggling with a very different future than the one he had planned. As romance rises with the tide, they discover that it's never too late to chart a new course.

Trish Doller's unforgettable adult debut, *Float Plan*, reminds readers that starting over doesn't mean forgetting: you can build a new home, right alongside the old.

In Trish Doller's *Float Plan*, strangers Anna and Keane, who are trying to escape their respective tragedies, must learn to rely on themselves, and each other, or lose more than they already have. Gorgeous scenery, evocative storylines and plenty of tension - I devoured this book - a must read for fans of armchair travel and magnetic love stories!" - Karma Brown, bestselling author of *Recipe for a Perfect Wife*

"The perfect escape. Fresh, funny, and romantic. Trish Doller creates smart and sensitive characters who seem all too heartbreakingly real. I wish I could sail away with this book." - Meg Cabot, *New York Times* bestselling author of *The Princess Diaries* and *Little Bridge* series

Author Bio

TRISH DOLLER is the author of novels for teens and adults about love, life, and finding your place in the world. A former journalist and radio personality, Trish has written several YA novels, including the critically acclaimed *Something Like Normal*, as well as *Float Plan*, her adult women's fiction debut. When she's not writing, Trish loves sailing, traveling, and avoiding housework. She lives in southwest Florida with an opinionated herding dog and an ex-pirate.

The New Husband

A Novel

by D.J. Palmer

What makes Simon Fitch so perfect?

- * He knows all her favorite foods, music, and movies.
- * Her son adores him.
- * He was there when she needed him most.
- * He anticipates her every need.
- * He would never betray her like her first husband.

The perfect husband. He checks all the boxes.

The question is, why?

Nina Garrity learned the hard way that her missing husband, Glen, had been leading a double life with another woman. But with Glen gone - presumably drowned while fishing on his boat - she couldn't confront him about the affair or find closure to the life he blew apart.

Now, a year and a half later, Nina has found love again and hopes she can put her shattered world (...)

Author Bio

D.J. PALMER is the author of numerous critically acclaimed suspense novels. A former e-commerce entrepreneur, D.J. Palmer now resides in New Hampshire and is currently at work on a new book.

A Heart Divided

The Definitive Edition

by Jin Yong, translated by Gigi Chang and Shelly Bryant

The next in the high stakes, tension-filled epic Legends of the Condor Heroes series, where kung fu is magic, kingdoms vie for power and the battle to become the ultimate kung fu master unfolds.

China: 1200 A.D.

In the fourth and final volume of Legends of the Condor Heroes, Guo Jing is at last forced to make a choice between loyalty to the land of his birth and keeping faith with Genghis Khan, who has been like a father to him. When it comes to matters of the heart, trouble waters stir there as well when Guo Jin's love for Lotus Huang is tested when he becomes convinced that her father has murdered someone dear to him.

As the Mongol armies descend on China, Jin Yong brings this most beloved of his novels to a thrilling conclusion, complete with vast battles, stirring heroism, heartbreak, triumph and loss.

Author Bio

Jin Yong (pen name of Louis Cha) was a true phenomenon in the Chinese-speaking world. Born in Mainland China, he spent most of his life writing novels and editing newspapers in Hong Kong. His enormously popular martial arts novels, including the epic Legends of the Condor Heroes series - beginning with *A Hero Born* - have become modern classics and remain a must-read for readers looking for danger and adventure.

No Ordinary Dog

My Partner from the SEAL Teams to the Bin Laden Raid
by Will Chesney and Joe Layden

Two dozen Navy SEALs descended on Osama bin Laden's compound in May 2011. After the mission, only one name was made public: Cairo, a Belgian Malinois and military working dog. This is Cairo's story, and that of his handler, Will Chesney, a SEAL Team Operator whose life would be irrevocably tied to Cairo's.

Starting in 2008, when Will was introduced to the DEVGRU canine program, he and Cairo worked side by side, depending on each other for survival on hundreds of critical operations in the war on terrorism. But their bond transcended their service. Then, in 2011, the call came: Pick up your dog and get back to Virginia. Now.

What followed were several weeks of training for a secret mission. It soon became clear that this was no ordinary operation. Cairo was among the first members of the U.S. military on the ground in Pakistan as part of Operation Neptune Spear, which resulted in the successful elimination of bin Laden.

As Cairo settled into a role as a reliable "spare dog," Will went back to his job as a DEVGRU operator, until a grenade blast in 2013 left him with a brain injury and PTSD. Unable to participate in further missions, he suffered from crippling migraines, chronic pain, memory issues, and depression. Modern medicine provided only modest relief. Instead, it was up to Cairo to save Will's life once more - and then up to Will to be there when Cairo needed him the most.

No Ordinary Dog is not what you are expecting; this is not a normal war memoir. Yes Will was (...)

Author Bio

WILL CHESNEY served in the United States Naval Special Warfare Development Group as an operator and dog handler. He participated in Operation Neptune Spear, which resulted in the death of Osama bin Laden. Chesney received a Silver Star and a Purple Heart, and now helps veterans who have suffered traumatic brain injury.

JOE LAYDEN is an award-winning journalist and writer. His books include the New York Times bestseller *As You Wish: Inconceivable Tales from the Making of the Princess Bride*.

A Hundred Suns

A Novel

by Karin Tanabe

A faraway land. A family's dynasty. A trail of secrets that could shatter their glamorous lifestyle.

On a humid afternoon in 1933, Jessie Lesage steps off a boat from Paris onto the shores of Vietnam. Accompanying her husband, Victor, an heir to the Michelin rubber fortune, she's certain that their new life is full of promise. Jessie knows that the vast plantations near Saigon are the key to the family's prosperity, and though recently married in scandal, she needs them to succeed for her husband's sake - and to ensure that the life she left behind in America stays buried in the past.

Jessie dives into the glamorous colonial world and meets Marcelle de Fabry, a spellbinding expat with a wealthy Indochinese lover, the silk tycoon Khoi Nguyen. Descending on Jessie like a hurricane, Marcelle proves to be an exuberant guide to colonial life. But it doesn't take long for their sun-drenched days and champagne-soaked nights to catch up with Jessie. And as a fiery political struggle builds around her, she begins to wonder what's real in a friendship that may be nothing but a house of cards. Motivated by love, driven by ambition, and seeking self-preservation at all costs, Jessie and Marcelle toe the line between friend and foe, ethics and excess.

Cast against the stylish backdrop of 1920s Paris and 1930s Indochine, in a time and place defined by contrasts and convictions, this is historical fiction (...)

Author Bio

KARIN TANABE is the author of four novels, including *The Gilded Years* (soon to be a major motion picture starring Zendaya, who will produce alongside Reese Witherspoon/*Hello Sunshine* for Sony/Tristar). A former Politico reporter, her writing has also appeared in *The Washington Post*, *Miami Herald*, *Chicago Tribune*, and *Newsday*. She has made frequent appearances as a celebrity and politics expert on *Entertainment Tonight*, *CNN*, and *The CBS Early Show*.

A Bad Day for Sunshine

A Novel

by Darynda Jones

Sheriff Sunshine Vicram finds her cup o' joe more than half full when the small village of Del Sol, New Mexico, becomes the center of national attention for a kidnapper on the loose.

Del Sol, New Mexico is known for three things: its fry-an-egg-on-the-cement summers, its strong cups of coffee - and a nationwide manhunt? Del Sol native Sunshine Vicram has returned to town as the elected sheriff - an election her adorably meddlesome parents entered her in - and she expects her biggest crime wave to involve an elderly flasher named Doug. But a teenage girl is missing, a kidnapper is on the loose, and all of it's reminding Sunny why she left Del Sol in the first place. Add to that trouble at her daughter's new school and a kidnapped prized rooster named Puff Daddy, and Sunshine has her hands full.

Enter sexy almost-old-flame Levi Ravinder and a hunky US Marshal, both elevens on a scale of one to blazing inferno, and the normally savvy sheriff is quickly in over her head. Now it's up to Sunshine to juggle a few good hunky men, a not-so-nice kidnapping miscreant, and Doug the ever-pesky flasher. And they said coming home would be drama-free.

Provides plenty of action. Recommended for fans of Linda Castillo and J.A. Jance." - *Library Journal*

"Jones has a real talent for balancing suspense with laugh-out-loud humor, never losing the tension from either." - *BookPage*

" *A Bad Day For Sunshine* is a great day for the rest of us - captivating characters, great writing (...)

Author Bio

New York Times and USA Today bestselling author DARYNDA JONES won a Golden Heart and a RITA for her manuscript *First Grave on the Right*. A born storyteller, she grew up spinning tales of dashing damsels and heroes in distress for any unfortunate soul who happened by, annoying man and beast alike. Darynda lives in the Land of Enchantment, also known as New Mexico, with her husband and two beautiful sons, the Mighty, Mighty Jones Boys.

 A THOMAS DUNNE BOOK

The Woman in the Mirror

A Novel

by Rebecca James

For more than two centuries, Winterbourne Hall has stood atop a bluff overseeing the English countryside of Cornwall and the sea beyond.

In 1947, Londoner Alice Miller accepts a post as governess at Winterbourne, looking after Captain Jonathan de Grey's twin children. Falling under the de Greys' spell, Alice believes the family will heal her own past sorrows. But then the twins' adoration becomes deceitful and taunting. Their father, ever distant, turns spiteful and cruel. The manor itself seems to lash out. Alice finds her surroundings subtly altered, her air slightly chilled. Something malicious resents her presence, something clouding her senses and threatening her very sanity.

In present day New York, art gallery curator Rachel Wright has learned she is a descendant of the de Greys and heir to Winterbourne. Adopted as an infant, she never knew her birth parents or her lineage. At long last, Rachel will find answers to questions about her identity that have haunted her entire life. But what she finds in Cornwall is a devastating tragic legacy that has afflicted generations of de Greys. A legacy borne from greed and deceit, twisted by madness, and suffused with unrequited love and unequivocal rage.

Author Bio

Rebecca James worked in publishing for several years before leaving to write full-time, and is now the author of several novels written under a pseudonym, as well as *The Woman in the Mirror* under her own name. Her favorite things are autumn walks, Argentinean red wine and curling up in the winter with a good old-fashioned ghost story. She lives in Bristol with her husband and two daughters.

A THOMAS DUNNE BOOK

The Last Tourist

by Olen Steinhauer

In Olen Steinhauer's bestseller *An American Spy*, reluctant CIA agent Milo Weaver thought he had finally put "Tourists" - CIA-trained assassins - to bed.

A decade later, Milo is hiding out in Western Sahara when a young CIA analyst arrives to question him about a series of suspicious deaths and terrorist chatter linked to him.

Their conversation is soon interrupted by a new breed of Tourists intent on killing them both, forcing them to run.

As he tells his story, Milo is joined by colleagues and enemies from his long history in the world of intelligence, and the young analyst wonders what to believe. He wonders, too, if he'll survive this encounter.

After three standalone novels, Olen Steinhauer returns to the series that made him a New York Times bestseller.

Author Bio

OLEN STEINHAUER, the New York Times bestselling author of eleven novels, is a Dashiell Hammett Award winner, a two-time Edgar Award finalist, and has also been nominated for the Anthony, Ian Fleming Steel Dagger, Ellis Peters Historical Dagger, Macavity, and Barry awards. He is also the creator of the Epix TV series *Berlin Station*. He was raised in Virginia, and now divides his time between New York and Budapest.

Requiem of Silence

by L. Penelope

Civil unrest plagues the nation of Elsira as refugees from their old enemy Lagrimar seek new lives in their land. Queen Jasminda is determined to push the unification forward, against growing opposition and economic strife. But the True Father is not finished with Elsira and he may not be acting alone. He has built a powerful army. An army that cannot be killed. An army that can only be stopped by Nethersong and the help of friends and foes of Elsira alike.

Former assassin Kyara will discover that she is not the only Nethersinger. She will need to join the others to harness a power that can save or end Elsira. But time is of the essence and they may not be ready by the time the True Father strikes.

Sisterhood novitiate Zeli will go to the reaches of the Living World to unlock a secret that could save the kingdoms. When armies meet in the battlefield, a new world will be forged. Whether by the hands of gods or men, remains to be seen.

Author Bio

L. PENELOPE has been writing since she could hold a pen and loves getting lost in the worlds in her head. She is an award-winning author of new adult, fantasy, and paranormal romance. The Watergate Girl

My Fight for Truth and Justice Against a Criminal President

by Jill Wine-Banks

It was a time, much like today, when Americans feared for the future of their democracy, and women stood up for equal treatment. At the crossroads of the Watergate scandal and the women's movement was a young lawyer named Jill Wine Volner (as she was then known), barely thirty years old and the only woman on the team that prosecuted the highest-ranking White House officials. Called "the mini-skirted lawyer" by the press, she fought to receive the respect accorded her male counterparts - and prevailed.

In *The Watergate Girl*, Jill Wine-Banks opens a window on this troubled time in American history. It is impossible to read about the crimes of Richard Nixon and the people around him without drawing parallels to today's headlines. The book is also the story of a young woman who sought to make her professional mark while trapped in a failing marriage, buffeted by sexist preconceptions, and harboring secrets of her own. Her house was burgled, her phones were tapped, and even her office garbage was rifled through.

At once a cautionary tale and an inspiration for those who believe in the power of justice and the rule of law, *The Watergate Girl* is a revelation about our country, our politics, and who we are as a society.

Riding the crest of the #MeToo movement, Wine-Banks describes the mostly workaday sexism she encountered on the job. . . . The book's fast-moving narrative and crisp prose should hook readers."

- *Boston Globe*

"Wine-Banks not only brings to life the urgency of the Watergate years in vivid detail and color (...)

Author Bio

JILL WINE-BANKS is an MSNBC legal analyst, appearing regularly on the network's prime-time and daytime shows. In addition to her service as an assistant Watergate special prosecutor, she was also general counsel of the U.S. Army, solicitor general and deputy attorney general of Illinois, and chief operating officer of the American Bar Association. A graduate of the University of Illinois and the Columbia University School of Law, she lives in Chicago.

Revolver Road

A Harper McClain Mystery

by Christi Daugherty

Even in the chill of February, no place touches Harper McClain's heart like Savannah. She should be walking beneath the historic city's towering oaks, surrounded by graceful mansions. Instead, she's hiding miles away on Tybee Island after a mysterious voice on the phone warned her that someone wanted her dead. The call was too specific to ignore. The caller knew everything about her. But that was months ago, and she's getting tired of being scared.

Her only escape is her work at the newspaper, where the hottest story in town is the disappearance of Xavier Rayne. The singer had a hit album on his hands, and was about to go on tour, but then he walked out of his beachfront home and vanished. The police believe he drowned, but Harper suspects his disappearance may be more ominous than that. Something doesn't feel right about it.

His bandmates and actress girlfriend say he's run away before. They expect him to come home, until a body washes up with two bullet holes in it. Now everyone in Rayne's life is a suspect. As Harper digs deeper into the case though, the threats against her own life return. The phone call she received was very real. A killer from her past is coming for her.

Now she must solve two murders, or end up dying on Revolver Road.

Author Bio

As a newspaper reporter, CHRISTI DAUGHERTY covered her first murder at the age of 22. There would be many more over the subsequent years when she worked as a journalist in cities including Savannah, Baton Rouge, and New Orleans. Now a novelist, she lives in the south of England. She is the author of *The Echo Killing* and *A Beautiful Corpse*.

Here's the Catch

A Memoir of the Miracle Mets and More

by Ron Swoboda

Ron Swoboda wasn't the greatest player the Mets ever had, but he made the greatest catch in Met history, saving a game in the 1969 World Series, and his RBI clinched the final game, making him a Mets legend. The Mets even use a steel silhouette of the catch as a backing for the right field entrance sign at Citi Field.

In this smart, funny, insightful memoir, which is as self-deprecating as a lifetime .249 hitter has to be, he tells the story of that magical year nearly game by game, revealing his struggles, his triumphs and what life was like for an everyday, Every Man player, even when he was being platooned. He shows what it took to make one of the worst teams in baseball and what it was like to leave one of the best. And when he talks about the guys he played with and against, it's like you're sitting next to him on the team bus, drinking Rheingold. This is a book anyone who loves the game will love as much.

To hear him tell it, former New York Mets outfielder Ron Swoboda is a lucky man; fortunately for the reader, he is also a witty writer with a highly developed self-deprecating sense of humor. In a year that will see an explosion of Mets books, this is an unexpectedly good one. Ron, why did you wait so long to write it?" - Booklist

" *Here's the Catch* is a winner. All that is revealed surrounding his time in baseball, including two-plus seasons as a New York Yankee (...)

Author Bio

RON SWOBODA played right field for the Mets from 1965 to 1970, the Expos in 1971 and the Yankees from 1971 to 1973. Afterwards he was a TV sportscaster in New York City, Milwaukee and New Orleans, where he provided color commentator for telecasts of the Marlins' AAA club and now lives.

Death of an American Beauty

A Novel

by Mariah Fredericks

Jane Prescott is taking a break from her duties as lady's maid for a week, and plans to begin it with attending the hottest and most scandalous show in town: the opening of an art exhibition showcasing the cubists that is shocking New York City.

1913 is also the fiftieth anniversary of Lincoln's Emancipation Proclamation speech, and the city's great and good are determined to celebrate in style. Dolly Rutherford, heiress to the glamorous Rutherford's department store empire, has gathered her coterie of society ladies to put on a play - with Jane's employer Louise Tyler in the starring role as Lincoln himself. Jane is torn between helping the ladies with their costumes and enjoying her holiday. But fate decides she will do neither, when a woman is found murdered outside Jane's childhood home - a refuge for women run by her uncle.

Deeply troubled as her uncle falls under suspicion and haunted by memories of a woman she once knew, Jane - with the help of old friends and new acquaintances, reporter Michael Behan and music hall pianist Leo Hirschfeld - is determined to discover who is making death into their own twisted art form.

Ms. Fredericks's tour of old New York - from a seedy Bowery dive to the gilded palace of a department store - is eye-opening, and her mystery well-spun. But what makes this book a stand-out is its affecting depictions of interactions that transcend race, creed, gender and generations." - *Wall Street Journal*

"Buoyed by Fredericks' deft plotting and lucid prose, Jane handles each crisis with aplomb. A welcome addition to the lady's (...)

Author Bio

MARIAH FREDERICKS was born and raised in New York City, where she still lives with her family. She is the author of several YA novels. This is her third novel to feature lady's maid Jane Prescott.

Truth in Our Times

Inside the Fight for Press Freedom in the Age of Alternative Facts

by David E. McCraw

In October 2016, when Donald Trump's lawyer demanded that The New York Times retract an article focused on two women that accused Trump of touching them inappropriately, David McCraw's scathing letter of refusal went viral and he became a hero of press freedom everywhere. But as you'll see in *Truth in Our Times*, for the top newsroom lawyer at the paper of record, it was just another day at the office.

McCraw has worked at the Times since 2002, leading the paper's fight for freedom of information, defending it against libel suits, and providing legal counsel to the reporters breaking the biggest stories of the year. In short: if you've read a controversial story in the paper since the Bush administration, it went across his desk first. From Chelsea Manning's leaks to Trump's tax returns, McCraw is at the center of the paper's decisions about what news is fit to print.

In *Truth in Our Times*, McCraw recounts the hard legal decisions behind the most impactful stories of the last decade with candor and style. The book is simultaneously a rare peek behind the curtain of the celebrated organization, a love letter to freedom of the press, and a decisive rebuttal of Trump's fake news slur through a series of hard cases. It is an absolute must-have for any dedicated reader of The New York Times.

In his fine new book, McCraw takes us behind the scenes of the venerable (or failing, depending on your perspective) New York Times. A self-professed 'raving moderate,' McCraw is in prime position to provide this backstage (...)

Author Bio

DAVID E. MCCRAW is Deputy General Counsel at The New York Times, where he has worked since 2002. He provides legal counsel to the newsroom regarding libel, freedom of information, court access, litigation and news-gathering. Previously, he was Deputy General Counsel of The New York Daily News. He conducts workshops and performs pro bono work for freedom of press and information around the world. He is an adjunct professor at the NYU School of Law and a visiting lecturer at Harvard Law School.

The Killing Tide

A Brittany Mystery
 by Jean-Luc Bannalec

Superb. . . Bannalec has concocted the perfect blend of police procedural and travelogue." - *Publishers Weekly* (starred review)

"As captivating and harrowing as its predecessors. An intriguingly constructed mystery. . . Bannalec's latest delivers on every level." - *Booklist* (starred review)

"Dupin's drive to catch the killer quickly is balanced by his desire to enjoy the local cafes and the breathtaking Breton coast just a little bit longer. And as usual, justice triumphs. More of Bannalec's winning formula: a healthy chunk of Brittany with a bracing dash of murder." - *Kirkus Reviews*

Praise for the series:

"Bannalec's Breton adventures are some of the best French local color going, with a deft blend of puzzle, personality, and description of the indescribable." - *Kirkus Reviews* on *The Fleur de Sel Murders*

"Well-drawn, complex characters, the lovingly described countryside, and the area's culinary bounty make this a winner. Some fans will be inspired to take their next vacation in Brittany." - *Publishers Weekly* on *The Fleur de Sel Murders*

"Jean-Luc Bannalec. . . has channeled his affection for the westernmost region of France into a charming first mystery." - *New York Times Book Review* on *Death in Brittany*

"A setting to die for. . . The star of the mystery, though, is Brittany." - *Booklist* (starred review) on *Death in Brittany*

Author Bio

JEAN-LUC BANNALEC is a pseudonym. The author divides his time between Germany and coastal Brittany, France. *Death in Brittany*, the first case for Commissaire Dupin, was published in German in March 2012 and sold 600,000 copies, spending many months on the bestseller list. It has been sold into 14 countries.

Strongheart

The Lost Journals of May Dodd and Molly McGill

by Jim Fergus

The final installment to the One Thousand White Women trilogy is a novel about fierce women who are full of heart and the power to survive.

In 1873, a Cheyenne chief offers President Grant the opportunity to exchange one thousand horses for one thousand white women, in order to marry them with his warriors and create a lasting peace. These women, "recruited" by force in the penitentiaries and asylums of the country, gradually integrate the way of life of the Cheyenne, at the time when the great massacres of the tribes begin. After the battle of Little Big Horn, some female survivors decide to take up arms against the United States, which has stolen from the Native Americans their lands, their way of life, their culture and their history. This ghost tribe of rebellious women will soon go underground to wage an implacable battle, which will continue from generation to generation. In this final volume of the One Thousand White Women trilogy, Jim Fergus mixes with rare mastery the struggle of women and Native Americans in the face of oppression, from the end of the 19th century until today. With a vivid sense of the 19th century American West, Fergus paints portraits of women as strong as they are unforgettable.

Author Bio

Jim Fergus is the author of *One Thousand White Women*, *The Sporting Road*, *A Hunter's Road* and *Wild Girl*. His articles and essays have appeared in a wide variety of national magazines and newspapers, including *Newsweek*, *Newsday*, *The Paris Review*, *Esquire*, *Sports Afield* and *Field & Stream*. Fergus was born in Chicago and attended Colorado College. He worked as a teaching tennis professional before becoming a full-time freelance writer. Jim divides his time between southern Arizona, northern Colorado, and France.

Staring Down the Wolf

7 Leadership Commitments That Forge Elite Teams
by Mark Divine

Staring Down the Wolf is a leadership book by former Navy SEAL and *New York Times* bestselling author Mark Divine, focused on harnessing the principles of purpose and discipline in life to achieve success. . .

Mark Divine is one of my favorite writers on leadership and mental and physical wellness." -Ryan Holiday, #1 New York Times Bestselling author of *Ego is the Enemy*

"Mark Divine provides a valuable resource on what every leader should know, embrace and practice if they want to be successful in the most meaningful way." -Larry King, Broadcast Legend

"In a world of soundbites and memes works of real substance are not only needed, but stand out. In *SDTW*, Mark Divine distills his experience and wisdom garnered via military service, entrepreneurship, and life. This is not a motivational book, this is a framework for developing resilience and grit." - Robb Wolf, 2X Bestselling Author, consultant for the Naval Special Warfare Resiliency program

"If you read one book on leadership this is it. Former SEAL Mark Divine takes what he learned on the battlefield and applies it to real world business situations allowing you to understand how to better form and manage a team." -Naveen Jain, Founder InfoSpace, CEO of Viome

"This book teaches you how to lead a team, how to form a team (...)

Author Bio

MARK DIVINE is a former Navy SEAL and has trained thousands of aspiring Navy SEALs. He owns and runs the SEALFIT Training Center in San Diego, California where he trains thousands of professional athletes, military professionals, SWAT, First Responders, SOF candidates and everyday people looking to build strength and character.

Maggie Finds Her Muse

by Dee Ernst

All Maggie Bliss needs to do is write. Forty-eight years old and newly single (again!), she ventures to Paris in a last-ditch effort to finish her manuscript. With a marvelous apartment at her fingertips and an elegant housekeeper to meet her every need, a finished book - and her dream of finally taking her career over the top - is surely within her grasp. After all, how could she find anything except inspiration in Paris, with its sophistication, food, and romance in the air?

But the clock is running out, and between her charming ex-husband arriving in France for vacation and a handsome Frenchman appearing one morning in her bathtub, Maggie's previously undisturbed peace goes by the wayside. Charming and heartfelt, Dee Ernst's *Maggie Finds Her Muse* is a delightful and feel-good novel about finding love, confidence, and inspiration in all the best places.

Amid the sparkling backdrop of Paris, a romance novelist with writer's block discovers the perfect complement to wine, cheese, and family - the inspirational magic of a dashing man. *Maggie Finds Her Muse* is a delightful, uplifting, page-turner of a novel." - **Tracey Garvis Graves, *New York Times* bestselling author of *The Girl He Used to Know***

"An emotional, honest, and delicious ride with characters who feel like best friends. Dee Ernst delivers a wonderfully moving story. You'll love her characters and her warm, engaging style." - **Shirley Jump, *New York Times* and *USA Today* bestselling author**

" *Maggie Finds Her Muse* is just like the dream vacation to Paris it centers around. . . This book will make you want to catch (...)

Author Bio

DEE ERNST grew up in Morristown, New Jersey, and attended Marshall University in Huntington, West Virginia, where she majored in journalism, thinking it would help her launch a writing career. She miscalculated, gave up writing entirely, and began a long career as a bookkeeper. Once again living in the tri-state area, happily married and with two daughters, Dee took a second plunge into writing in her mid-forties and has never looked back.

 A THOMAS DUNNE BOOK

Hard Cash Valley

A Novel

by Brian Panowich

Dane Kirby is a broken man and no stranger to tragedy. As a life-long resident and ex-arson investigator for McFalls County, Dane has lived his life in one of the most chaotic and crime-ridden regions of the South. When he gets called in to consult on a brutal murder in a Jacksonville, Florida, motel room, he and his FBI counterpart, Special Agent Roselita Velasquez, begin an investigation that leads them back to the criminal circles of his own backyard.

Arnie Blackwell's murder in Jacksonville is only the beginning - and Dane and Roselita seem to be one step behind. For someone is hacking a bloody trail throughout the Southeast looking for Arnie's younger brother, a boy with Asperger's Syndrome who possesses an unusual skill with numbers that could make a lot of money and that has already gotten a lot of people killed - and has even more of the deadliest people alive willing to do anything it takes to exploit him.

As Dane joins in the hunt to find the boy, it swiftly becomes a race against the clock that has Dane entangled in a web of secrets involving everyone from the Filipino Mafia to distrusting federal agents to some of the hardest Southern outlaws he's ever known.

Return to McFalls County and Bull Mountain in *Hard Cash Valley*, where Brian Panowich weaves another masterful tale of Southern Noir.

Author Bio

BRIAN PANOWICH is a Los Angeles Times Book Prize finalist, an ITW Thriller Award winner, a Southern Book Prize winner, and a finalist for both the Anthony and the Barry Awards. He lives in Georgia with his family.

A THOMAS DUNNE BOOK

Hid from Our Eyes

A Clare Fergusson/Russ Van Alstyne Mystery

by Julia Spencer-Fleming

1952. Millers Kill Police Chief Harry McNeil is called to a crime scene where a woman in a party dress has been murdered with no obvious cause of death.

1972. Millers Kill Police Chief Jack Liddle is called to a murder scene of a woman that's very similar to one he worked as a trooper in the 50s. The only difference is this time, they have a suspect. Young Vietnam War veteran Russ van Alstyne found the body while riding his motorcycle and is quickly pegged as the prime focus of the investigation.

Present-day. Millers Kill Police Chief Russ van Alstyne gets a 911 call that a young woman has been found dead in a party dress, the same MO as the crime he was accused of in the 70s. The pressure is on for Russ to solve the murder before he's removed from the case.

Russ will enlist the help of his police squad and Reverend Clare Fergusson, who is already juggling the tasks of being a new mother to her and Russ's baby and running St. Alban's Church, to finally solve these crimes.

Readers have waited years for this newest book and Julia Spencer-Fleming delivers with the exquisite skill and craftsmanship that have made her such a success.

... the mystery unfolds like a classic country whodunit, complete with lurid back stories for all the righteous grown-ups." - *The New York Times Book Review*

The Spy in Moscow Station

A Counterspy's Hunt for a Deadly Cold War Threat

by Eric Haseltine

Foreword by Gen. Michael V. Hayden (Retd.), Former Director of NSA & CIA

In the late 1970s, the National Security Agency still did not officially exist - those in the know referred to it dryly as the No Such Agency. So why, when NSA engineer Charles Gandy filed for a visa to visit Moscow, did the Russian Foreign Ministry assert with confidence that he was a spy?

Outsmarting honey traps and encroaching deep enough into enemy territory to perform complicated technical investigations, Gandy accomplished his mission in Russia, but discovered more than State and CIA wanted him to know.

The Spy in Moscow Station tells of a time when - much like today - Russian spy craft had proven itself far beyond the best technology the U.S. had to offer. The perils of American arrogance mixed with bureaucratic infighting left the country unspeakably vulnerable to ultra-sophisticated Russian electronic surveillance and espionage.

This is the true story of unorthodox, underdog intelligence officers who fought an uphill battle against their own government to prove that the KGB had pulled off the most devastating penetration of U.S. national security in history. If you think "The Americans" isn't riveting enough, you'll love this toe-curling nonfiction thriller.

In the cat and mouse, twists and turns and tradecraft of modern technical espionage and counter-espionage (...)

Author Bio

ERIC HASELTINE was Director of Research at the NSA and Associate Director of National Intelligence in charge of Science and Technology for the U.S. Intelligence community. Before joining the NSA, he was Executive Vice President of Disney Imagineering. A PhD neuroscientist, he has given several popular TED talks on the future of science and is an inventor with over 70 patents and pending patents. He lives in California with his wife, Dr. Chris Gilbert.

Hype

A Doctor's Guide to Medical Myths, Exaggerated Claims, and Bad Advice - How to Tell What's Real and What's Not
by Nina Shapiro and Kristin Loberg

A straightforward appraisal of why health myths exist, dispelling many of them, and teaching readers how to navigate the labyrinth of health advice and the science and misinformation behind it.

There is a lot of misinformation thrown around these days, especially online. Headlines tell us to do this, not that--all in the name of living longer, better, thinner, younger. Dr. Shapiro wants to distinguish between the falsehoods and the evidence-backed truth. In her work at Harvard and UCLA, with more than twenty years of experience in both clinical and academic medicine, she helps patients make important health decisions every day. She's bringing those lessons to life here with a blend of personal storytelling and science to discuss her dramatic new definition of "a healthy life."

Hype covers everything from exercise to supplements, alternative medicine to vaccines, and medical testing to media coverage. Shapiro tackles popular misconceptions such as toxic sugar and the importance of drinking eight glasses of water a day. She provides simple solutions anyone can implement, such as drinking 2% milk instead of fat-free and using SPF 30 sunscreen instead of SPF 100. This book is as much for single individuals in the prime of their lives as it is for parents with young children and the elderly.

Never has there been a greater need for this reassuring, and scientifically backed, reality check.

Author Bio

Dr. Nina Shapiro is the award-winning Director of Pediatric Otolaryngology and a Professor of Head and Neck Surgery at UCLA. She is featured in *The New York Times*, *Time*, *The Wall Street Journal*, NPR, and CNN.com among others. She is a regular on CBS's *The Doctors*.

Kristin Loberg is the #1 *New York Times*, *Wall Street Journal*, and *USA Today* bestselling co-author of *Grain Brain*, *A Short Look at a Long Life* and others. She attended Cornell University and lives in L.A. with her husband and two sons.

All You Need Is Ears

The Inside Personal Story of the Genius Who Created The Beatles

by George Martin and Jeremy Hornsby

In this witty and charming autobiography, George Martin describes exactly what it was like to work in the studio with the Beatles - from the first audition (and his decision to scrap Pete Best on drums) to the wild experimentation of Sgt. Pepper, complete with sound effects, animal noises, and full orchestras in evening dress at the direct request of Paul McCartney.

This is a singular look at the most important musical group of all time, and how they made the music that changed the world. No other book can provide George Martin's inside look at their creative process and the play of genius and practical improvisation that gave them their sound. All You Need Is Ears is an indispensable read for Beatle lovers and anyone interested in the music world.

Author Bio

Sir GEORGE MARTIN (1926-2016) was a legendary record producer, arranger, and audio engineer. He is best known for working with the Beatles, among many other famous recording artists. He was made a Commander of the British Empire in 1988 and was awarded a knighthood in 1996.

The Complete Book of Wills, Estates & Trusts (4th Edition)

Advice That Can Save You Thousands of Dollars in Legal Fees and Taxes

by Alexander A. Bove, Esq.

Whether grappling with modest or extensive assets, *The Complete Book of Wills, Estates, & Trusts* has long been the indispensable guide for protecting an estate for loved ones. In this completely revised fourth edition, updated to cover the latest changes in estate law, attorney Alexander A. Bove, Jr. synthesizes his decades of field and classroom experience into honest, clear, and entertaining explanations of a host of complex legal topics, including:

- how to create a will and living trust
- how to use a will to avoid probate and legal complications
- how trusts work and how to use trusts to save taxes
- how to contest a will and how to avoid a contest
- how to settle an estate or make a claim against one
- how to establish a durable power of attorney
- how to protect assets from creditors

In his straightforward and humorous style, Bove shares easy-to-understand legal definitions, savvy advice on taxes, and pragmatic and simple sample forms, all illustrated with entertaining examples and actual cases. This is the only legal guide readers will ever need to ensure that their money and holdings remain in the family.

Praise for Previous Editions of *The Complete Book of Wills, Estates, & Trusts*:

"If only my own will were written in language as clear and sprightly as Alex Bove's. . . I could go to my grave at peace with myself and my readers." - Robert J. Klein, former senior editor, *Money*

"Not only is this book chock-full of practical advice, but - thanks to Bove's unfailing sense of humor - it's great fun to read as well." - Richard E. Band, former editor, *Personal Finance Newsletter*

Author Bio

Alexander A. Bove, Jr., is a prominent attorney with nearly thirty years of expertise in estate law. A former legal and financial columnist for *The Boston Globe*, he is also an adjunct professor of law at Boston University Law School. He lives in Boston, Massachusetts.
