THE CREATIVE COMPANY

Alligators

by Kate Riggs

From scaly alligators to furry pandas, and from sprinting cheetahs to swooping owls, the world of animals is wonderfully diverse. This popular series travels the planet to study these and other fascinating mammals, birds, reptiles, fish, and invertebrates. Beautiful photos are paired with STEM-appropriate text to examine the featured creature's appearance, habitat, behaviors, and life cycle. Each reissued title also presents a folk story that people have used to help explain the animal's appearance or behavior. This revised edition surveys key aspects of alligators, describing the scaly reptiles' appearance, behaviors, and habitats. A folk tale explains why these creatures dislike dogs.

Author Bio

Kate Riggs is a Minnesota-based editor and author of children's and young adult nonfiction books. In 2012, her book *Dolphins (Amazing Animals)* was honored as the winner of the Maryland Blue Crab Young Reader Award for Transitional Nonfiction.

Moose

by Kate Riggs

From scaly alligators to furry pandas, and from sprinting cheetahs to swooping owls, the world of animals is wonderfully diverse. This popular series travels the planet to study these and other fascinating mammals, birds, reptiles, fish, and invertebrates. Beautiful photos are paired with STEM-appropriate text to examine the featured creature's appearance, habitat, behaviors, and life cycle. Each reissued title also presents a folk story that people have used to help explain the animal's appearance or behavior. This revised edition surveys key aspects of moose, describing the long-legged deer's appearance, behaviors, and habitats. A folk tale explains why these creatures have long, curved noses.

Author Bio

Valerie Bodden is the author of more than 150 children's books. Her books have received favorable reviews from Booklist, Children's Literature, ForeWord Magazine, Horn Book Guide, VOYA, and School Library Journal. Valerie lives in Wisconsin with her husband, four children, one dog, one cat, a growing collection of fish, and miscellaneous bugs that her children have "rescued" from the outdoors. She spends most of her time writing or wrangling children and animals.
