### **Bat Wings! Cat Wings?**

Bats have wings, but do cats? No, of course not! In this entertaining book designed to both instruct and delight, young audiences encounter actual animal traits paired with impossible ones. Or what if they're not *all* far-fetched? Have your readers (or listeners) decide for themselves, with the help of humorous illustrations by Swiss artist Monique Felix.

**Laura Gehl** is the author of nearly two dozen picture books, board books, and early readers. She has lived on three different continents and been chased by an angry elephant but now makes her home in Chevy Chase, Maryland, with her husband and four children. This is her first book for Creative Editions.

Swiss artist **Monique Felix** has illustrated more than 40 celebrated children's books, including *Let's Go Outside*, *Chicken Wants a Nap*, and *Where Do I End and You Begin?* Among her many honors is the Octogone Prize from the International Center of Children's Literature in France.

### **I Love You with All of My Hearts**

Animals come in many shapes and sizes—some have large ears, others have distinctive noses, and still others have far too many eyes! They express emotions in different ways, too, but one thing remains the same: love. Even though humans have only one heart (unlike octopuses, with three!), we all love our children with all our hearts, as expressed in this unique and tender book, playfully illustrated by Eleonora Pace.

**Lindsay Bonilla** is a children's book author and performer of interactive folk tales who enjoys teaching children about other countries and cultures. She lives with her family in North Canton, Ohio, and is the founder and artistic director of the touring company World of Difference Ltd.

Italian illustrator **Eleonora Pace** celebrates the diversity and idiosyncrasies of the animal kingdom in her body of work. She teaches art and watercolor to children and adults at La Bottega del Cigno near Padua. This is her first book for Creative Editions.

### Up & Down

What goes up must come down! Using common phrases and uncommon characters, author and illustrator Etienne Delessert takes young readers on a wild and wonderful elevator ride of the imagination.

**Etienne Delessert** is a Swiss-American artist and author whose picture books have earned numerous honors, including two Graphics Prizes from the Bologna Children's Book Fair. In 2010, he was shortlisted for the Hans Christian Andersen Award for Illustration and was nominated again six years later. Delessert's work has also been presented in retrospectives at the Louvre and at the Library of Congress in Washington, D.C. Among his many children's book credits are *It?* and *Fuzzy, Furry Hat*. He lives in Connecticut.

### **I Am Elephant**

Elephants, with their matriarchal societies, long memories, and demonstrations of emotional connections, are some of the world's most treasured animals. However, they are also among the most threatened. It is up to humans to protect them before it is too late. In this follow-up to 2019's *I Am Polar Bear*, poet J. Patrick Lewis voices an elephant's eloquent perspective as it pleads its case.

**J. Patrick Lewis** is an award-winning poet, a former Children's Poet Laureate, and the author of more than 115 books for children, including the Creative Editions titles *Make the Earth Your Companion* and *Phrases of the Moon*.

**Miriam Nerlove** is an illustrator whose detailed paintings of animals can also be found in the board books *Dot*, *Stripe*, *Squiggle* and *Spot*, *Spike*, *Spiral*, published by Creative Editions. This is her second collaboration with J. Patrick Lewis, following 2019's *I Am Polar Bear*.

**The World Below the Brine**

Below the brine, the salty waters of the sea, is a wonderland waiting to be explored—its wide array of plants and creatures different but not wholly unlike those that can be found on land, in the world *above*. Nineteenth-century poet Walt Whitman’s classic verse employs the language of his day to express a wonder that is timeless, while the surrealistic imagery of James Christopher Carroll’s art inspires readers to dive in for a closer look.

American poet **Walt Whitman** (1819–92) celebrated the wonder and wildness of both nature and humanity, leaving a towering legacy to the world with such works as *Leaves of Grass*. “The World Below the Brine,” first published in 1860, was later included in the revised edition of *Leaves of Grass*.

**James Christopher Carroll** is an author, illustrator, and graphic designer whose picture books include *A Song*, recently published by Creative Editions. He lives with his family in upstate New York.
