# Butterflies

## Color in Flight

Jon Dunn (Author),  
Georgina Taylor (Illustrator)

Butterflies come in every color of the rainbow. But their vibrant wings aren't just beautiful, they give each butterfly a special power too...

- Examines one of nature's most beloved species, the butterfly, through the unique angle of color, offering a never-done-before perspective.
- Features over a hundred different butterflies species from every corner of the globe.
- Stunningly intricate, vibrant, and lifelike illustrations from fine artist Georgina Taylor make this book the perfect gift.

**JON DUNN** is a natural history writer, photographer, and wildlife tour guide. His written work and photographs have been featured in a number of publications, including *BBC Wildlife*, *Birding World*, *British Wildlife*, *Birdwatch*, *British Birds*, *The Shetland Times*, *The Wall Street Journal*, *La Repubblica*, and *The Sun*. His book, *Orchid Summer* (Bloomsbury, 2018) was met with critical acclaim. When he's not writing or capturing beautiful creatures on camera, Jon spends much of his time traveling the world in search of memorable wildlife encounters. He lives in the Shetland Isles, Scotland.

**GEORGINA TAYLOR** captures stunning botanical and wildlife images through watercolor. Georgina is inspired by the natural world and her work draws influences from traditional medical and botanical illustrations. Georgina's many clients include LoveBaby, OwlInTheMoss and True Keratin. Georgina is based in KwaZulu-Natal, South Africa.

# Super Animals!

Meet the super-powered heroes of the animal kingdom

Mike Barfield (Author),  
Jason Ford (Illustrator)

Special powers aren't just for comic-book superheroes-meet the real-life Super Animals!

- Unique, inventive and fun approach for a non-fiction natural history book for children.
- A perfect fusion of graphic novel and the comic-book-superhero genre, ideal for reluctant readers.
- Stylised comic-book art that harks back to the traditional artwork style of Marvel and DC Comics, adding a nostalgia that parents will love.

**MIKE BARFIELD** is a best-selling children's author, cartoonist, poet, and performer with books in well over a dozen different languages. He has a first-class degree in Biology from the University of London and won the Blue Peter Book Awards 2021 for the Best Book with Facts.

**JASON FORD** is a freelance illustrator whose approach has been heavily influenced by his childhood diet of *Tintin* and *Marvel* comics and a continuing love of French and Belgian bandes dessinées. His work has been commissioned by the Royal Mail, *The New York Times*, Penguin Books and *The Guardian*.

# The History of Everything in 32 Pages

Anna Claybourne (Author),  
Jan Van Der Veken (Illustrator)

In the beginning, about 13.8 billion years ago, the Universe started with a bang

- A visual guide to 'everything'-from the Big Bang and the formation of the solar system, right up to the modern day.
- Covers the major events between the beginning of the universe and now, including the creation of stars, the development of life, the arrival of humans, the dawn of history, the growth of empires, revolutions of all kinds and the age of technology.
- Heavily illustrated with beautiful and informative artwork.

**ANNA CLAYBOURNE** has written over 150 children's books on all kinds of subjects, from sharks, black holes and splitting the atom to how to draw, Shakespeare's life, and Greek myths and legends. She knows a lot about conservation in the rain forests of Costa Rica as she once volunteered there for three months. She likes space, sewing, and music, plays the trombone and loves going camping.

**JAN VAN DER VEKEN** is a Belgian artist. He studied graphic design and typography at the Sint-Lucas School of Architecture in Ghent. His work remains personal with its own private universe and aesthetics, so his drawings always have that extra touch.
