High-Contrast Flash Cards Four-Pack Set

Four decks of 36 double-sided cards each, 0-12 months, *Baby's World* (0-3 months), *A Whole New World* (3-5 months), *Color My World* (5-8 months), *Wild World* (8-12 months and beyond). (This set does not have holes punched in cards or a ring)

High-contrast flash cards help baby's eyes learn to focus and track, aiding visual development as their brains grow. Each card deck in this set of four adds color and complexity to coordinate with progressive stages of infant brain and eye development. Rounded corners and a non-glare surface make cards baby-friendly as parents and babies bond while learning together.

Below the Ice

By Michaël Escoffier • Illustrated by Ella Charbon

What happens when a hungry girl and a hungry fish go toe to toe? It's an epic battle below—and above—the ice as friends join in on the push and pull tug-of-war to see who will reign supreme. The clever vertical layout design of this distinctive board

book allows one to open the book's pages from bottom to top, rather than right to left. The result is an immersive experience which enables the reader to truly feel the above-and-below aspect of this dramatic tension-filled tale—including its topsy-turvy twist!

20 pages. 9" wide x 4-1/2" high (23 cm wide x 11.5 cm high). Rounded corners. Ages 3+ Rights: North America (English)

PETER PAUPER PRESS

OUR COMPANY

In 1928, at the age of twenty-two, Peter Beilenson began printing books on a small press in the basement of his parents' home in Larchmont, New York. Peter—and later, his wife, Edna—sought to create fine books that sold at “prices even a pauper could afford.”

Today, still family owned and operated, Peter Pauper Press continues to honor our founders' legacy—and our customers' expectations—of beauty, quality, and value.
