## IT'S NOT THE PUPPY **NEW**

Who is making all this mischief? It couldn't be the puppy! Brief rhythmic lines along with expressive art pose a charming whodunit and show the true culprits in this toddler-appropriate board book. Little ones will chime in with the repeated title refrain and delight in the surprise ending—when of course—it finally IS the puppy!

## CRANE & CRANE **NEW**

A sandhill crane lifts a stick. A construction crane lifts a log. Both cranes grab, stretch, stack, and more while working through bad weather and difficult obstacles toward their mutual end goal: building a home for a new family.
