The Art of Suffering

Capturing the Brutal Beauty of Road Cycling

Kristof Ramon, with a foreword by Wout van Aert

- 250+ photographs documenting over a decade of pro road cycling, featuring all the best teams and riders on the major tours from 'One of the best cycling photographers in the business' *Team Trek-Segafredo*.
- Road cycling is a huge international sport with a growing fanbase, 3.5 billion people in 190 countries tune in to watch the Tour de France every year. The Tour De France is one of the best-attended annual sporting events on the planet (source: *Cycling Weekly*).
- *The Art of Suffering* is about the human story of road racing, about what it takes to go deep and be the best, and the awe-inspiring feats of endurance that make road cycling one of the most challenging, most legendary, most inspirational sports in the world.

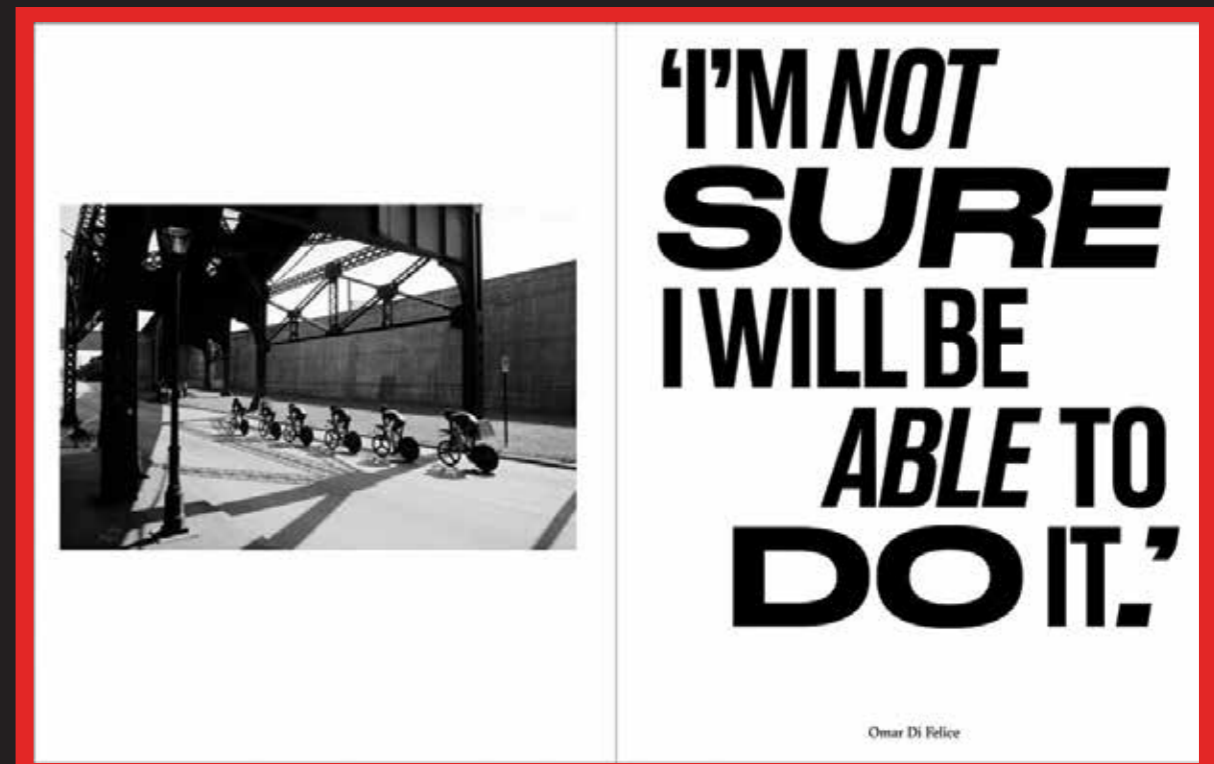

What does it take to become a road racing legend and compete in the toughest sport in the world? Go behind the scenes with the teams and riders at all the major tours and classics through the lens of world-class pro-cycling photographer, Kristof Ramon.

KRISTOF RAMON is one of the world's top pro-cycling photographers. He started his career as a filmmaker but for the last 14 years has focused exclusively on cycling photography, covering all the major races, from the classics - such Paris-Roubaix, Tour of Flanders and the Strade Bianche - to the major tours - the Giro d'Italia, the Tour de France and la Vuelta a España

ANDREA DAVALOS's work and whimsical style is characterized by a strong sense of color. Influenced by her nomadic upbringing in Mexico, she naturally weaves color and texture into her work. Beyond art, Andrea believes that visual storytelling can shape our thoughts and feelings. Her work is grounded where color and textures blend, opening doors to fresh, optimistic perspectives.

Find My Behind Dino

A Memory Game

Daniel Frost

- A fantastic new companion to Laurence King's popular *Find My Behind* game.
- A perfect gift for any dinosaur-loving child - which also has the benefit of being paper-based and interactive so all the family can play together.
- This is a simple-to-learn, beautifully illustrated, colorful game that's a bit silly and a lot of fun.

Can you help all the dinosaurs find their behinds in this uproarious family matching game?

DANIEL FROST is an award-winning British artist living and working in Copenhagen. He has worked with a wide range of prestigious clients in the worlds of advertising, fashion and publishing. An author and illustrator of both fiction and non-fiction picture books, his works have been enjoyed around the world and have been translated into many languages.

Height of Flight

A Family Game of Higher and Lower

Claire Nottage, Philip Lindeman

- This game is quick to learn, easy to transport and with multiple ways to play again and again.
- Adults and children 6+ can play and learn together, the game suits 2-6 players.
- The game is full of surprising and delightful facts about birds, planes, balloons and more that will fascinate and delight whether you prefer aviaries or aviation.
- Beautiful hand-painted illustrations and thick card stock makes this game as enjoyable to look at as it is to play.

Is it a bird? Is it a plane!? Compete to guess who flies highest in this beautifully illustrated family game of higher or lower.

PHILIP LINDEMAN is a freelance illustrator, working and living in Utrecht, The Netherlands. Find him on Instagram @philip_lindeman or see his work at philiplindeman.com.

Gardener's Match

A Fruit and Vegetable Memory Game

Abigail Willis, Holly Exley

- A beautiful game for nature lovers and families, perfect for gifting.
- Match the fruits and vegetables to plants to make pairs of produce you could grow in your garden.
- A fun twist on a classic game: two wildcards provide an element of danger to the classic memory game.
- The accompanying booklet gives fascinating information about all 24 plant pairs, plus the two danger cards, including fun facts, where they come from, and how they grow.

Match 24 pairs of fruit and vegetables to the plant they grow from in this beautifully illustrated and simple to play family memory game.

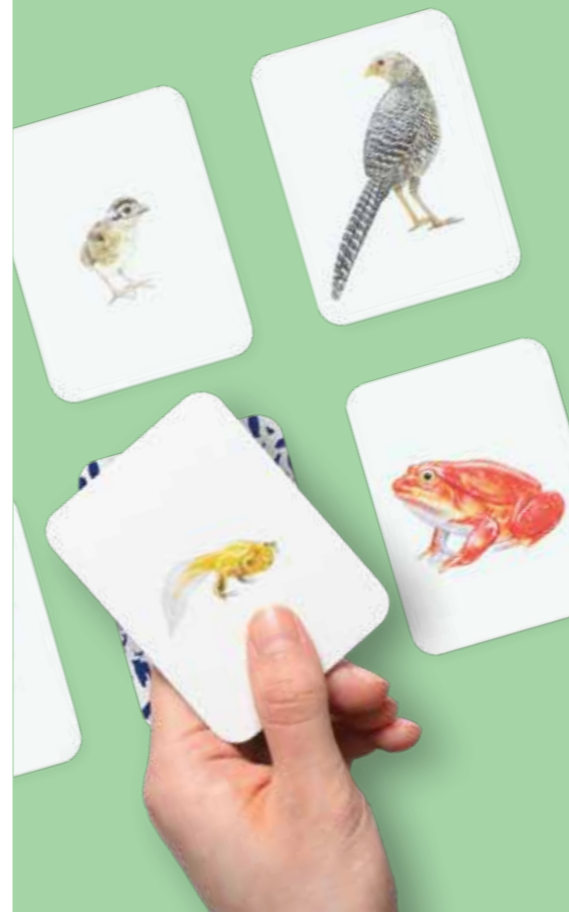

ABIGAIL WILLIS is a writer and editor with a particular interest in gardening and the arts. Author of *Secret Gardens of Somerset* (Frances Lincoln, 2020), *The Remarkable Case of Dr Ward and Other Amazing Gardening Innovations* (Laurence King, 2018) and *The London Garden Book A-Z* (Metro Publications, 2016), she has also written for the *Evening Standard*, the *Daily Telegraph*, the *Chelsea Fringe* and *The City Planner*. When not at her desk she can usually be found pottering, secateurs in hand, in her garden or on the allotment.

Cat Gurus: Mini

Guidance from the World's Greatest Felines

Caroline Roberts, Liz Faber,
Mister Peebles

- *Cat Gurus* in a brand-new, pocket sized format for ultimate cat wisdom on the go.
- Perfect for gifting, this humour led deck with a high-quality finish, will have maximum gifting appeal.
- Includes 50 cards full of insightful philosophical maxims and silly puns for cat lovers everywhere.
- A whimsical take on Oracle cards which will appeal to both the wellness market and cat lovers.

Harness the power and wisdom of the cat gurus with this palm-sized mini card deck.

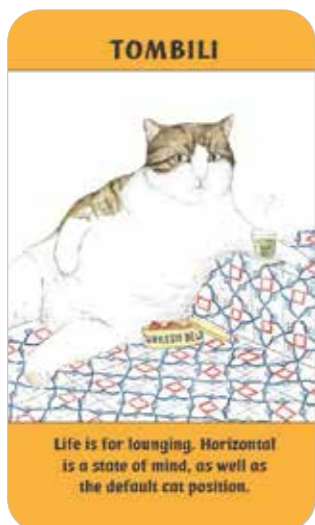

MISTER PEEBLES (AKA Helen McGinley) is a London-based illustrator specializing in cats and other animals.

The advice was transcribed by **LIZ FABER** and **CAROLINE ROBERTS** based on hours of interviews with the gurus. As a child, Liz wanted to be a cat when she grew up. Sadly, this didn't work out, but she still loves hanging out with cats and hopes that they accept her as she is. Caroline lives with her rescue cat, Milo. They are currently both calorie counting, as neither of them can fit through the cat flap.
