9781728246871 • \$24.99 • cl • Self-Help / Personal Growth / Happiness • Ignite Reads

The original idea was simple... what if we could get millions of people to engage in simple acts that were good for the world? Picking up litter, helping the homeless, smiling, planting a tree. And, in doing so, we would make the world a better place and also help people understand how much and why they matter.

With actions that families can take together or independently, you and your family can start bettering yourselves and your community with a few (...)
