

Twirl  
Fall 2021

Turning Heads, Shaping Minds since 2014

## Dear friends,

After all the challenges of 2020, we look for signs of joy and hope in 2021, and thankfully, we have some exceptional new books to share this fall season. We hope each and every new title will spark excitement for you and your readers. Some of our favorites are spotlighted below.

- With seven titles and 1.5 million copies sold, the **Ultimate Book™** series has proven to be a worldwide bestseller and a fan favorite on our list. *The Ultimate Book of Animals* is our most highly anticipated release of 2021.
- *Space and Sky* and *Vehicles and Transportation* join the **Do You Know?™** series of fully illustrated nonfiction books, perfect for the rapidly growing minds of five- to eight-year-olds.
- *Mr. Lion Dresses Up!* was an in-house favorite last year for its goofy humor and its sweet, encouraging ending. This season, Mr. Lion and his mischievous friend Monkey are back with a fresh adventure in *Mr. Lion's New Hair!*
- Last but not least is a book for book lovers: *This Book Can Do Anything*, with twenty-six delightful pages of an adorable book showing off all that it can do.

And in consideration for all of you who are working from home, we have updated our digital catalog to include links to videos and other support materials. Look for the  and  on many book covers!

If there are other ways we can better share about our books, please send your ideas and feedback to [marketing@twirlbooks.com](mailto:marketing@twirlbooks.com). We'd love to hear from you!

# The Ultimate Book of Animals

## Ultimate Book™

By Anne-Sophie Baumann  
Illustrated by Éléonore Della Malva

Creatures of land, sea, and air fill the pages of this interactive book, providing a fascinating overview of how animals grow, see, hear, move, and more! With detailed information thoroughly researched and vetted by an industry professional, the book includes more than 50 flaps, pop-ups, pull-tabs, and rotating wheels. Pull a tab to spot prey through the eyes of an eagle, turn the page for a 3-D look inside a wolf's mouth, and rotate a wheel to see the life cycle of a butterfly. An immersive and satisfying hands-on learning experience! ©

## Vehicles

### The Pop-Up Guide™

By Maud Poulain  
Illustrated by Charline Picard

Which vehicles work on construction sites? What types of vessels travel across oceans? Which ones take us up in the air? Children can find out the answers to these questions and more in this accessible and interactive guide. The multilayered 3-D scenes leap off every page, encouraging readers to explore the world of vehicles in a unique way. From vehicles that travel on city streets and highways to those that explore outer space, the latest title in the Pop-Up Guide™ series brings to life dramatic settings that capture children's imaginations. Each book also includes elastic bands that allow readers to display their favorite pages. 🌀

## Mr. Lion's New Hair!

Mr. Lion™

By Britta Teckentrup

Uh-oh! Mr. Lion is having a bit of trouble with his mane. Luckily, his friend Monkey can help! But what hairdo is right for Mr. Lion? Should he wear braids . . . or dye his hair red? Try pigtails . . . or add a tiara? Renowned author and illustrator Britta Teckentrup's playful book with a die-cut on every spread takes readers on a fanciful journey to find the perfect hairstyle. Children will enjoy seeing Mr. Lion's different looks and learning, in the end, that it's not about how you wear your hair, but about always being yourself. ☺

Braids, bows,  
and more!

## Let's Be Safe

Pull and Play Books™

By Alice Le Hénand  
Illustrated by Thierry Bedouet

Little Kangaroo and her friends feel ready to do things by themselves. Little Croc wants to go down the steps. Little Cat wants to get out of her high chair. But do they know the safe way to do things? In this reassuring book, the grown-ups show their little ones how to be safe and why it's important. Children are empowered and inspired to model positive behavior as they use the pull-tabs to change the pictures. ☺

## Baby Animals

PlayTabs™

By Stéphanie Babin

Illustrated by Thierry Bedouet

Big, sturdy tabs to push and pull make for great learning fun. Pull a tab to see a chick hatch from an egg or push a tab to see a baby emperor penguin keep warm. Includes bite-size information just right for hungry young minds. ☺
