

The best Pressure Cooker recipes— tested and approved!

- The Pressure Cooker is the ideal solution for preparing quick and delicious family meals
- Over a hundred tested recipes

THE BILINGUAL FACEBOOK
GROUP "INSTANT POT
COMMUNITY" HAS 2 MILLION
MEMBERS!

This new cooking appliance is revolutionizing the way families eat together, mostly by speeding up the cooking process—on average, people spend **70% less time in the kitchen thanks to the Pressure Cooker!** And the best part? The quick cooking time **doesn't affect the food's texture or taste!**

To demystify the Pressure Cooker, the Simple so Simple team investigated every aspect of this popular phenomenon and tested over a hundred recipes. You'll find these recipes categorized in different sections of the book: "From the freezer to the Pressure Cooker," "Updated classics," "Recipes with under 5 ingredients," "Unusual recipes," etc. This 100% made-in-Quebec guide also answers some more practical questions you may have:

- How do I choose an appliance?
- How do I get the most out of it?
- What are the best recipes?
- What are the best foods to cook in it?
- And more!

This book is sure to become one of your kitchen essentials!
