SPRING
2026

Welcome to Galison's Spring 2026 Collection!

As we look ahead to a new season, we're proud to continue bringing art into daily life through thoughtfully designed puzzles, gifts, and creative products that inspire and delight.

The past year brought continued challenges in tariffs, shipping, and production costs, but we've successfully navigated these changes while maintaining the quality and value our customers expect. We remain focused on thoughtful pricing and strong partnerships with our retail community to ensure our products stay accessible and beautifully made.

This season, we're thrilled to introduce several exciting new formats and collaborations. Explore our new Paint by Number Kits and Punch Needle Kits, a creative expansion for Galison. Don't miss *Art of the Forest*, a large bound sticker book featuring over 700 stickers to decorate letters, laptops, and more. We're also proud to debut the Liberty of London *One Line a Day* prompted journal, blending iconic design with meaningful daily reflection.

The wildly popular Miffy collection also joins our lineup this season, with a range of adorable puzzles and sticker sets celebrating this beloved character—perfect for both adults and children. And of course, you'll find a wide selection of beautiful new jigsaw puzzles from our bestselling artists Joy Laforme, Michael Storings, and fine art favorites from Frank Lloyd Wright, along with new Andy Warhol tote bags to round out the collection.

We wish all our retail and business partners a vibrant and successful Spring season.
