D.J. Rosenblum Becomes the G.O.A.T

Abby White

WHERE: Middle Woods, Briar, Ohio

VICTIM: Rachel Simon

HERO: D.J. Rosenblum

VILLAINS: ???

It's the beginning of the school year—and Briar's newest resident, D.J. Rosenblum, is not here for it. Ever since her cousin Rachel died, D.J.'s family has been a mess: Her aunt and uncle are catatonic. Her mom is even more scatterbrained than usual. She had to postpone her bat mitzvah a whole year. Worst of all, she and her mom had to move—leaving her best friend, Eva, behind.

Briar does have one redeeming factor, though: Here, in Rachel's hometown, D.J. can finally get to the bottom of her cousin's death. With the help of a chatty journalist and a queen-bee hacker, D.J. can fill in the last days of Rachel's life. And if she can just figure out her Torah portion—with help from her cute tutor, Jonah—maybe, just maybe, she'll be able to solve a bigger mystery.

Butterfly Heart

Moa Backe Åstot

Translated by Agnes Broomé

Vilda takes life as it comes, talking for hours about everything and nothing with her best friend, Alma. It's never been a big deal to Vilda that her mother's side of the family is Sámi and her father's is Swedish, but as summer vacation starts, she wants to know more about her indigenous roots—and she's looking forward to her beloved grandfather, Áddjá, teaching her the Sámi language.

Then Áddjá has a fatal heart attack and, overnight, Vilda loses not only a person she loves most in the world, but a crucial link to her history and identity. It's disorienting in ways deep and superficial: she doesn't know what to wear, what to say, or how Alma and her friends should react. And all this comes while her body is changing, and she's swamped by confusing thoughts and feelings about an older boy she meets at her grandfather's funeral.

Feeling whole seems impossibly hard to reach.

Butterfly Heart is a tender, heartwarming story about love, grief, and the right to define who you are.

Collected Poems of Paula Gunn Allen

Paula Gunn Allen
Forward by Natalie Diaz

An overdue retrospective of a pathbreaking feminist Native American poet, introduced by Pulitzer Prize winner Natalie Diaz.

Collected Poems of Paula Gunn span the landscapes of the Southwest, excavate popular misunderstandings of Native women through history, and perhaps most importantly shines a light on a foremother of Native poetry, who was herself an icon to feminist legends like Gloria Steinem.

Introduced by Pulitzer Prize-winning poet Natalie Diaz, this volume of the Laguna Pueblo poet spans her decades-long career, including hard-to-find, limited edition chapbooks.
