AN ILLUSTRATED GUIDE TO BIRDS THAT SOUND LIKE INSULTS

x

Birds are beautiful majestic creatures—that happen to have names better suited for that guy who just cut you off in traffic. Inside you'll find a comprehensive, illustrated guide to 75 of our species—based solely on how well their names roll off our tongues when we're mad. These are real birds by the way, which really makes you wonder what was going on the day they named 'rufous-rumped seedeater.' Geez, take it down a notch.

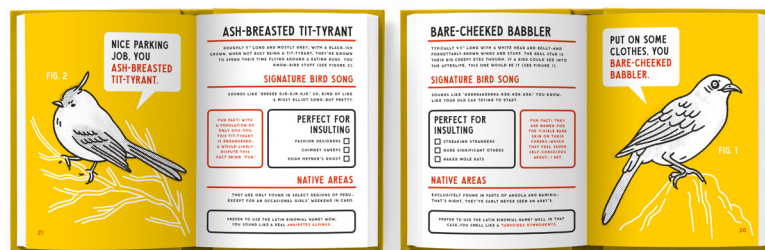

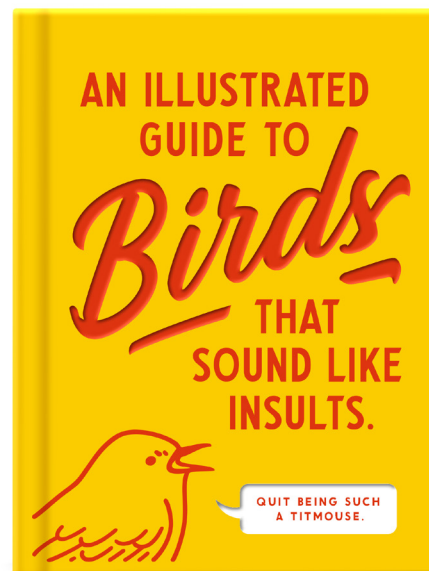

- Features 160 pages, with illustrations and fun facts about all 75 birds.
- • Hard-bound, debossed artwork cover.

This indispensable compendium of weirdly entertaining info will fill your brain with the stuff they didn't teach you in school, mainly because they'd have lost their accreditation if they did.

WHICH HUNT PARTY GAME

X

Finally, a hilarious party game that's as fun as it is simple to play. What do you do? Just guess what something is—from two possible options—based entirely on its name alone. Easy right? For example: is a rufous-rumped seedeater an 1800s era insult—or a species of bird? Okay, these aren't all birds and insults—because if you thought those were weird, try NASCAR drivers. Or celebrity baby names. Or even varieties of hot peppers. Win points for guessing the most correct answers in a row—from a series of possibilities that all sound surprisingly correct. Because seriously, who names their kid Dick Trickle?

- Suitable for 3-8 players
- Short, fast-paced game play
- Features 400 double-sided cards

ODDLY CORRECT A PARTY GAME

Sure, that's a picture of a lady sitting in a fancy dress—but to us it looks more like what we looked like trying to poop at prom. In this hilarious 'what's this really a picture of?' game, players compete to come up with the funniest 'wrong answer' to describe a series of randomly-drawn images. Don't worry, we've provided hundreds (and we really mean hundreds) of pre-written answers to choose from. Is that just a man crying in the corner? Or how our autocorrect feels when we try to spell the word 'definitely'? That's for you to decide.

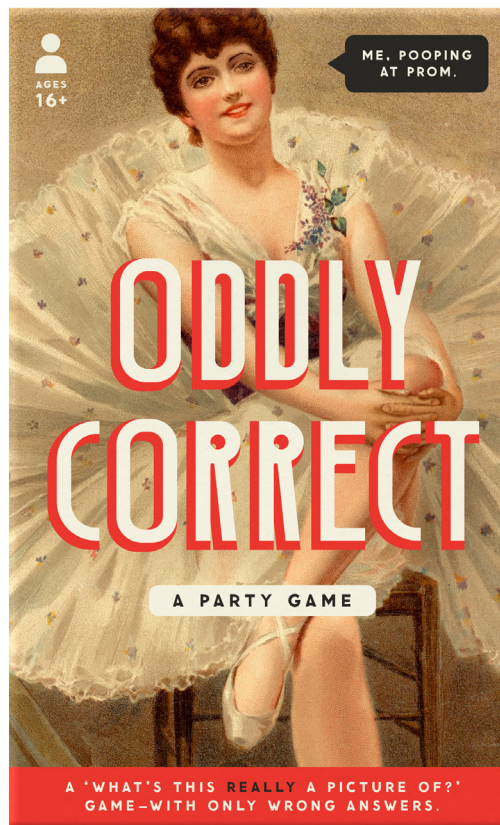

- Suitable for 3-8 players
- Includes 100 large (4" x 4") images and
- 880 unique 'wrong' answers
- Comes with a corrugate 'easel' to display image cards easily on the table.
