NEW FOR SPRING

Word Flip

Think fast, speak faster! What's something scary that starts with T? Why has every animal disappeared from your brain? Surely there's *something* in your fridge beginning with F? (Hint: It's food, you fool!) Prepare to play at pace as each card is flipped and you race to think of a word that links the letters in front of you to the category in the middle. Be the first to shout out an answer, then flip your used letter to reveal a new category, so you'd better keep that brain whirring! Suitable for 2 to 15 players and takes around 20 minutes to play. This game is printed on FSC paper with soy inks and made using 30% recycled materials.
