Arcturus Publishing

Spring 2024

Welcome to Arcturus Publishing’s Spring 2024 catalogue. What a feast of new titles we have for you. New titles in our *Discovering* series explore two wonderfully different aspects of our planet, Geordie Torr examines the vital role of rivers and Dominic Hale provides insightful lessons for business leaders based on Sun Tzu’s classic *The Art of War*

Our new range of Mind, Body and Spirit titles includes a fantastic guide on crystal healing, a focus on the benefits of breathing properly and advice on creating an aura of glamour to improve your life. The *Carl Jung Psychology Test* will reveal hidden depths in your personality, while *The Book of Five Rings Book & Card Deck* and *The Egyptian Book of the Dead Oracle* offer many words of wisdom to those in search of advice and positivity.

Puzzle fans will love our new *Spot the Difference* book as well as the conundrums in *The Incredible Sherlock Holmes Puzzle Collection* and *Whodunits*. But there are plenty of gentler puzzle collections, too.

There’s also a new selection of wonderful colouring books, some gorgeous new fiction and non-fiction classics, plus thrilling collections of short stories and thought-provoking titles in the areas of reference and military history, such as Anthony Tucker-Jones’ account of the fall of Berlin. We hope you will find plenty to tempt you, and we look forward to working with you in the months ahead.

DISCOVERING THE MICROSCOPIC WORLD
9781398817371

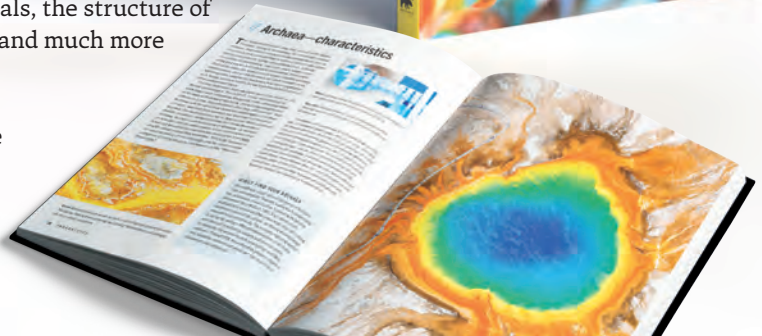

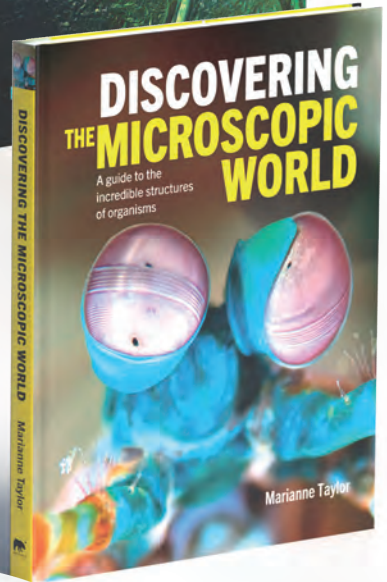

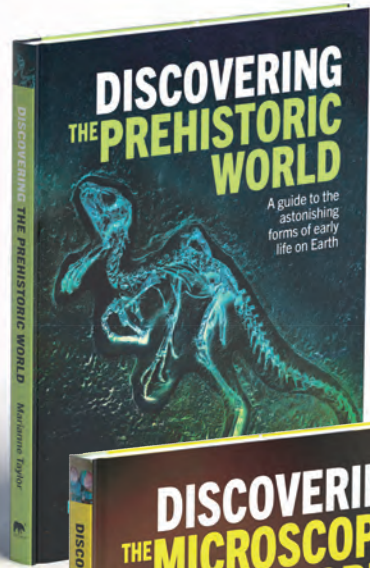

by **Marianne Taylor**
280 x 225mm, 192 pp
£16.99 Hardback, Full colour
AVAILABLE IN JANUARY

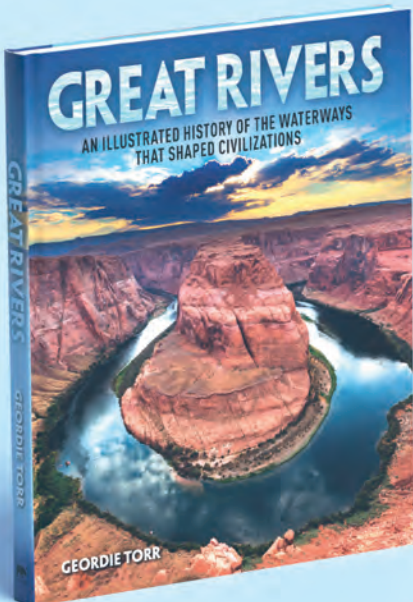

Discovering the Prehistoric World looks at the diversity of life on Earth in the time before humans came to dominate the planet. Learn how species rose, fell, and evolved as they adapted to a changing climate and the varied ecosystems that arose.

Discovering the Microscopic World explores the wonders of the miniature world and the intricate structures and complex lifeforms that lie beyond the sight of the naked eye. You will learn about the microbes at the heart of the world's ecosystems, the composition of minerals, the structure of cells in the human body, and much more besides.

The text is brought to life by superb full-colour photos, charts, maps and infographics. A fascinating guide to the world for the whole family.

REFERENCE

An essential guide to the world's rivers

This eye-catching guide brings to life the great rivers of the world with spectacular, full-colour photography. Ranging from the majestic waters of the Nile to the mighty Yellow and Yangtze rivers to the immensity of the Amazon, this book explores the geography, the history and the impacts of these great rivers on the societies around them. In this volume, Geordie Torr shows how these waterways supported the first civilizations, facilitated trade and had a crucial impact on our well-being.

Ancient wisdom for the modern business world

In this fascinating guide, business journalist Dominic Hale advises you on how you can apply Sun Tzu's classic work to become a better leader. Showing you how to effectively motivate your workforce, pursue bold new strategies, and understand your opponents, he demonstrates that the sage advice from this 5th century BCE military manual remains hugely valuable today. *The Art of War Guide to Business Leadership* takes examples from the modern business world in a variety of different industries to show just how Sun Tzu's advice can be effectively applied. This edition includes the entire text of the original *Art of War* for your reference.

HISTORY

The final battle with Nazi Germany

THE FALL OF BERLIN

by **Anthony Tucker-Jones**

234 x 153mm, 256 pp

£9.99 Paperback

9781839408724

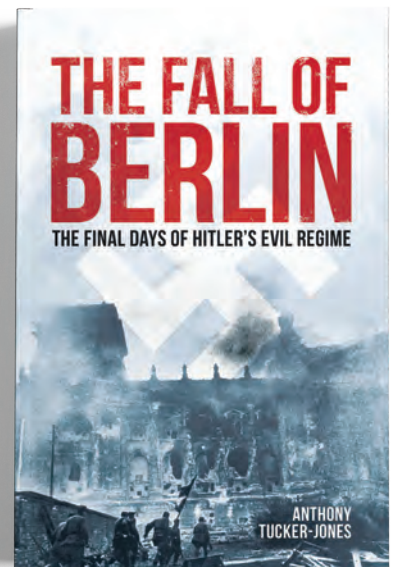

AVAILABLE IN JUNE

In April 1945, Soviet forces descended on Berlin in the final phase of the war in Europe. The fighting was fierce as those loyal to the Nazi party – and those afraid of the vengeance their opponents might enact – sought to stave off the end of the regime.

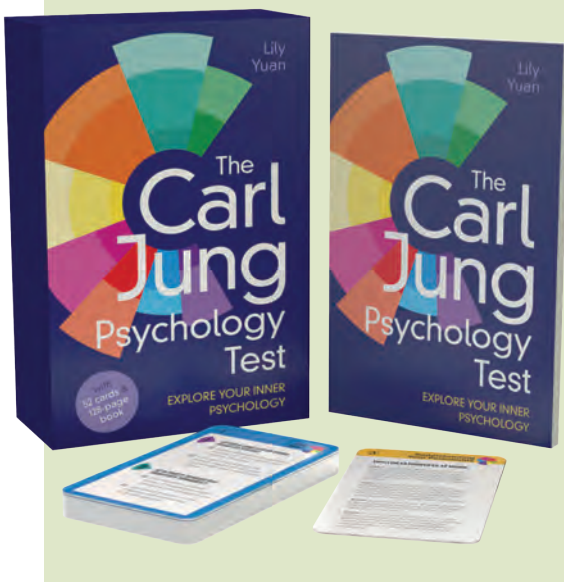

Even with defeat inevitable, Hitler and his subordinates determined to fight to the bitter end. As the Russian tanks crushed the remaining pockets of resistance, Berlin was turned into a nightmarish dystopia. Pillage, plunder, mass rape and unceasing destruction followed.

In this vivid account, the author explores the strategies, the battles, the civilian experiences and the personalities involved in the final days of the Third Reich.

An illustrated history of Britain's monarchy

For more than 1,000 years the British monarchy has shaped national and international history. Kings and queens have conquered territory, imposed religious change and extracted taxation, with their own motivations and ambitions. Some have been benevolent, others violent or religious fanatics, brilliant economists, masters of diplomacy and the power hungry. In this beautiful, full-colour hardback, Cath Senker delves into the extraordinary history of the British monarchy, from Alfred the Great to King Charles III.
