Little Library of Languages  
**My First Book of Mandarin**  
*800+ Words & Pictures*  
 by Timothy Tsai  
 Feb 07, 2023 Paperback , Flaps \$21.95 CAD

### A brilliant, colorful way to learn your first words in Mandarin!

Introduce your child (or yourself!) to the incredible language of Mandarin! Featuring over 800 first words with bright, bold illustrations, *My First Book of Mandarin* provides each word in English, traditional and simplified Chinese characters, and a romanization that makes pronunciation a breeze. Readers will also find cultural tips, sample sentences, and simple hints on usage and word choice. An index in the back includes a complete list of all words in the book with handy page references. With a special emphasis on the culture and customs you'll find in China itself, *My First Book of Mandarin* is divided into sections including People, Personal Pronouns, Courtesy, Geography, Family, Transportation, Science, Sports, Holidays and Festivals, Meals, and more.

### About the Series

*The Little Library of Languages* teaches beginners the basics of foreign languages through brightly colored illustrations and simple explanations of grammar, spelling, language systems, pronunciations, counting, and more. The perfect gift for families about to travel abroad or for kids who love learning about other people and places.

Around the World  
**Around the World in 80 Puzzles**  
*Cool Activities, Fun Facts, and More!*  
 by Emma Trithart, Susie Rae  
 Aug 01, 2022 Paperback \$12.95 CAD

### Phoebe and Felix are the great, great grandchildren of Phileas Fogg - and they've certainly inherited his taste for adventure. Are you ready to join them on a puzzle-packed race around the world?

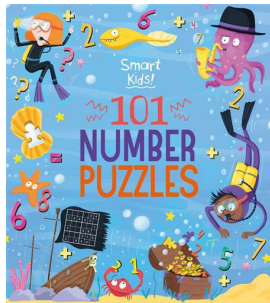

Young readers can set off on an incredible tour of the world with this vibrantly illustrated puzzle book. Travelling by train, plane, and even elephant, they can solve the puzzles as well as learn fascinating, real-world facts about each of the places that they visit. With cheeky parrot Passepartout as a friendly guide, it's bound to be the journey of a lifetime.

- Spot the difference between the real and forged "Mona Lisa"s at the famous Louvre gallery in Paris, France!
- Decode the secret message at the Great Pyramid in Egypt.
- Join the dots to reveal a monster at Scotland's Loch Ness!
- And look out for the matching pair of Easter Island statues.

The cleverly designed puzzles are perfect to challenge to enthrall young readers. Completing them will help develop problem-solving and motor skills as well as improve vocabulary and motor skills.

Showcasing the beautiful full-color illustrations of Emma Trithart, this vibrant activity book is a perfect way get children inspired about the world around them and turn every day into an adventure. Ideal for children aged 6-10.

**The Book of Nature Connection**  
*70 Sensory Activities for All Ages*  
 by Dr. Jacob Rodenburg  
 Apr 19, 2022 Paperback , Trade \$24.99 CAD

**Unplug from technology and "plug in" to nature through the wonder of your senses.**

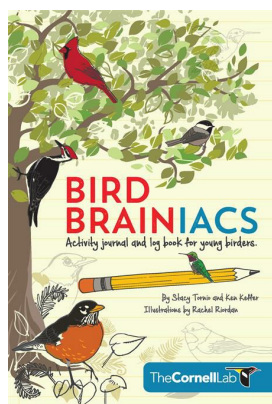

*The Book of Nature Connection* is packed with fun activities for using all our senses to engage with nature in a deep and nourishing way.

From "extenda-ears" and acorn whistles to bird calls, camouflage games, and scent scavenger hunts, enjoy over 70 diverse, engaging, sensory activities for all ages that promote mindfulness and nature connection.

With activities grouped by the main senses – hearing, sight, smell, touch, and taste – plus sensory walks and group games, *The Book of Nature Connection* is both a powerful learning tool kit and the cure for sensory anesthesia brought on by screen time and lives lived indoors.

Whisper in birds, be dazzled by nature's kaleidoscope of colors, taste the freshness of each season, learn to savor the scented world of evergreens, hug a tree and feel the bark against your cheek.

**Bird Brainiacs**  
*Activity journal and log book for young birders*  
 by Stacy Tornio, Ken Keffer  
 Apr 05, 2022 Paperback , Flaps \$18.95 CAD

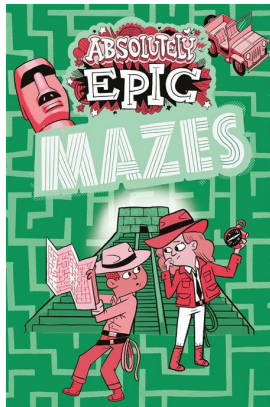

*Bird Brainiacs* is an interactive high-engagement journal for kids 8 - 13 who love birds—one that puts discovery in their hands! Throughout the pages, kids are encouraged to write, draw, and give their opinions about anything and everything related to birds through fun (and sometimes even silly) ways. Here are some of the things you'll come across in *Bird Brainiacs*:

- Quizzes
- Mad-Lib style fill-ins
- Personality questionnaires
- Game ideas
- "Would you rather?" scenarios
- Citizen science challenges
- Nature challenges
- Nature truth or dare
- ...and of course—bird facts and space to log their bird sightings

*Bird Brainiacs* combines the popularity of diaries and journals along with the important subject matter of getting kids outside and learning about birds. Kids will learn things about themselves that they never knew, and it will be documented so they can look back on it for years to come. In addition, they will learn interesting facts and tidbits about the great outdoors.

### Two-dle Doodle Draw with Dad!

The Two-Person Doodle Book  
by Bushel & Peck Books

Nov 16, 2021 Paperback , Trade \$15.95 CAD

#### What's the one thing better than drawing? Drawing with DAD!

In this unique parent-child doodle book, dads and their kids create joint works of art by following over 100 creative prompts that get them both working on the same drawing. Co-create a robot, a spaceship, or a secret treasure map as you talk, laugh—and most importantly, bond—during hours of drawing, doodling fun!

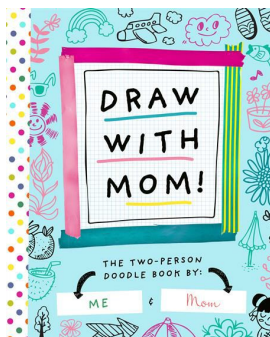

#### How to Use This Book

*Start your creative engines. . . it's time to draw with Dad! One hundred pages of delightful prompts will get you and Dad drawing—and talking—together! Some prompts can be done simultaneously, while others require you to do your part first and Dad to do his after. You'll also find mini conversation starters to get you talking along the way. Your first prompt awaits . . . let's go!*

*Child: It's Donuts with Dad! Draw a box full of all your favorite donuts.*

*Dad: Draw your favorite donuts, too!*

### Two-dle Doodle Draw with Mom!

The Two-Person Doodle Book  
by Bushel & Peck Books

Nov 16, 2021 Paperback , Trade \$15.95 CAD

#### What's the one thing better than drawing? Drawing with MOM!

In this unique parent-child doodle book, moms and their kids create joint works of art by following over 100 creative prompts that get them both working on the same drawing. Co-create a castle, a cake, or the perfect petting zoo as you talk, laugh—and most importantly, bond—during hours of drawing, doodling fun!

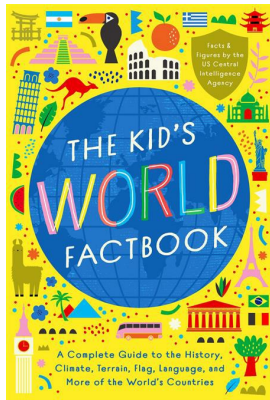

#### How to Use This Book

*Start your creative engines. . . it's time to draw with Mom! One hundred pages of delightful prompts will get you and Mom drawing—and talking—together! Some prompts can be done simultaneously, while others require you to do your part first and Mom to do hers after. You'll also find mini conversation starters to get you talking along the way. Your first prompt awaits . . . let's go!*

*Child: Create matching friend shirts! Talk about some possible ideas. Maybe peanut butter on one and jelly on the other, a salt shaker on one and pepper on the other, or even a half heart on each. Draw the first shirt here, then . . .*

### Maze Quest

*A Thrilling Puzzle Story with 28 Interactive Mazes*  
by William Potter, Laura Horton  
Oct 30, 2021 Hardcover \$16.95 CAD

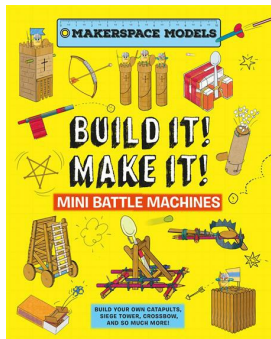

**In this ingenious, beautifully illustrated maze story, young puzzlers can choose paths that will determine the fate of an enchanted land.**

Readers can join adventurers Jada and Tim as they step from our world into the magical, fantastical Hinter Realms. The pair soon discover that the denizens of the Realms have been trapped by the evil Queen Amaza, ruling from her fiery mountain! Will they turn left or right? Into the Valley of Wisps or The Burrows? With multiple routes and solutions, readers will shape Jada and Tom's story through their choices.

28 unique mazes show different stages in Jada and Tim's journey, including the Crystal Forest, the Sunken City and The Cosmic Pool. Beautiful illustrations in full-color instantly immerse readers into lush, detailed scenes as they choose the correct routes, collect important artifacts and put an end to Amaza's tyranny!

This interactive maze book is a fantastic gift for children aged 6+.

### Illustoria: For Creative Kids and Their Grownups

*Issue 14: Myth: Stories, Comics, DIY*  
by Elizabeth Haidle  
Mar 18, 2021 Paperback , Trade \$20.95 CAD

Have you ever wanted to know more about myths, legends and folklore from around the globe? We've searched far and wide for tales of the unusual, featuring bugs, yetis, horse hybrids, magical dogs, & super strong babies. We'll help you build your own labyrinth—indoors or out—using socks from your laundry pile, or rocks in the grass. Create your own edible dragon eggs with the help of Dog Chef. Read our interview with costume designer **Nick Cave**, who is influenced by ancient mythology. Meet a New York City youth activist, go behind the scenes with cover artist **Julie Benbassat**, and see what other young writers and artists have been making lately.

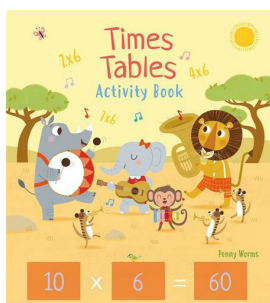

*Illustoria* is a print magazine for creative kids & their grownups. We celebrate visual storytelling, makers and DIY culture through stories, art, comics, interviews, crafts and activities. Our high-quality, tri-annual publication is geared toward readers ages 6-12 and the young at heart.

*Illustoria* is the official publication of the International Alliance of Youth Writing Centers, publishing writing and art by young people alongside accomplished professionals.

### Treasure Hunt Puzzles

*Engage your brain to work through these awesome adventure puzzles, under the Sea, to the Moon and more.*  
by Gareth Moore

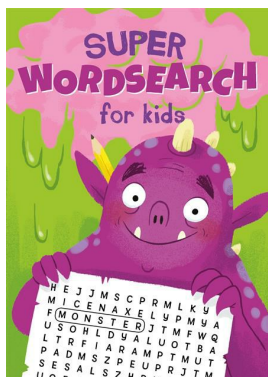

Nov 11, 2020 Paperback , Trade \$16.95 CAD

Treasure Hunt Puzzles is a unique story-style puzzle book that propels you into four separate adventures. You'll follow an ancient Inca trail into the jungle, travel to the moon in a spaceship, escape from a pyramid in Egypt and dive deep into the ocean on a submarine.

- . You can have fun with geometry in the jungle.
- . Translate hieroglyphs and solve cryptic clues inside a pyramid.
- . Solve balancing and volume puzzles on the moon.
- . Use logic to avoid a shark-attack under the ocean.

It's a great place to try out all of your math skills. You can't skip a challenge because you need to complete them all in order to return home, but there are hints to help if you get stuck. Prepare yourself for multi-level mazes, riddles to unravel, encrypted codes to navigate obstacles. Devised by an expert in brain training these awesome mental gymnastics are fun to do.

### Illustoria: For Creative Kids and Their Grownups

*Issue #12: Upcycle: Stories, Comics, DIY*  
by Elizabeth Haidle  
Jul 16, 2020 Paperback , Trade \$20.95 CAD

#### Explore the wide world of creative re-use!

Meet artists who transform found objects into visual delights, and visit the Museum of Trash—curated rubbish collected by a sanitation worker. Learn about fungi, nature's original 'upcyclers', and raid your kitchen for materials that can be used to mix your own watercolors. Interactive pages, scattered throughout, invite readers to 'upcycle' this magazine by getting involved. Join in the joke-telling, book reviewing and playlist-making. Activities, games and DIY projects also revolve around this eco-friendly theme.

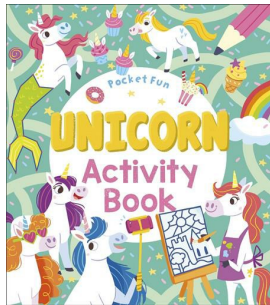

*Illustoria* is a print magazine for creative kids & their grownups. We celebrate visual storytelling, makers and DIY culture through stories, art, comics, interviews, crafts and activities. Our high-quality, tri-annual publication is geared toward readers ages 6-12 and the young at heart.

*Illustoria* is the official publication of the International Alliance of Youth Writing Centers, publishing writing and art by young people alongside accomplished professionals.

#### Praise for Illustoria Magazine

### Super Stars! Spelling Activity Book

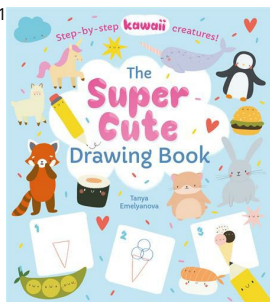

by Penny Worms, Natasha Rimmington  
Mar 15, 2020 Paperback \$12.95 CAD

Children do not learn to spell from learning phonics alone; they need to recognise spelling patterns and high-frequency words to be confident writers and readers.

The fun activities and colorful, characterful artwork will excite and engage young children to make spelling fun.

An ideal companion to *Phonics Activity Book*. Other titles in the *Super Stars!* series: *Adding and Subtracting Activity Book* and *Times Tables Activity Book*.

Super-Cute Activity Books  
**Super-Cute Easter Activity Book**  
 by Sam Loman  
 Mar 01, 2020 Paperback \$12.95 CAD

**Step into spring with this adorable Easter activity book, featuring all your favorite spring-time animals. Discover bunnies, lambs and fluffy chicks on your way through various exciting puzzles, including dot-to-dots, mazes and spot-the-difference.**

Kids just love cute animals... and Sam Loman's wonderful, characterful artwork really brings them to life!

Sam's previous titles for Arcturus include Magical Unicorns Activity Book, Magical Fairies Activity Book, and many more.

This book is packed with a varied selection of activities, including drawing guides, dot-to-dots, color-by-numbers, mazes, and many different types of puzzles.

The activities in this book are based around the common secular traditions of Easter and Springtime, rather than more religious ones.

Sam Loman's titles published by Arcturus have sold over 750,000 copies worldwide!

**World's Best Origami for Kids**

*Learn how to make dinosaurs, animals, cars and more... With Origami Paper Included!*  
 by Rob Ives  
 May 01, 2020 Paperback \$16.95 CAD

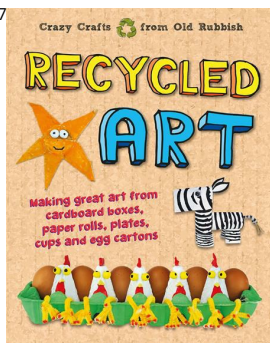

This is a perfect introduction to origami - the delightful art of paper folding. Packed with a full range of appealing projects, with different levels of difficulty, but with plenty of simple starters that will inspire confidence in the art. Learn the clever basic techniques and be amazed at the results. Just creasing and manipulating paper can create, animals with jointed limbs and wings, something that moves or items that are tough enough to use!

This book will show you how to make....

- Fierce and friendly dinosaurs
- A Mars lander or a space rocket
- A desk tidy or some origami flowers as a special gift
- A small dog and a perfectly cute mouse.

You'll see upfront what you need to make the projects - very little - and follow clear, step-by-step instructions with illustrations showing exactly how to make each one. They nod, hop, pose, zoom - and are useful as well as funny!

**Recycled Art**

*Making great art from cardboard boxes, paper rolls, plates, cups and egg cartons*  
 by Emily Kington  
 May 01, 2020 Hardcover, Trade binding \$25.95 CAD

**It's amazing what you can do with some glue, a bit of paint and some trash!**

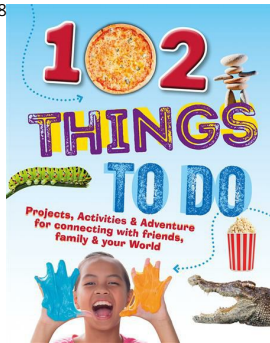

Recycling unwanted things is great fun and it's not going to cost you very much at all... as all of the main ingredients in these projects were heading for the garbage! So, don't throw away your left-over boxes, egg cartons, paper rolls, paper plates and cups as there are some awesome projects here for you to make. Turn your trash into...

- a cute penguin island from old egg boxes
- a smart dinosaur from paper plates
- a giraffe and a zebra from paper rolls
- a monster eating money box from a tissue box
- ... and there is much more.

Simple projects with clear step-by-step instructions and photography explain and show how to make each one. This is all about having fun whilst re-cycling old items that can be easily found at home and school. Here are lots of projects that all kids will love to do that won't break the bank!
