Our Work Is Everywhere

An Illustrated Oral History of Queer and Trans Resistance

by Syan Rose, Leah Lakshmi Piepzna-Samarasinha 🇨🇦

Mar 01, 2021 Paperback , Trade \$23.95 CAD

A visually stunning graphic non-fiction book on queer and trans resistance.

Over the past ten years, we have witnessed the rise of queer and trans communities that have defied and challenged those who have historically opposed them. Through bold, symbolic imagery and surrealist, overlapping landscapes, queer illustrator and curator Syan Rose shines a light on the faces and voices of these diverse, amorphous, messy, real, and imagined queer and trans communities.

In their own words, queer and trans organizers, artists, healers, comrades, and leaders speak honestly and authentically about their own experiences with power, love, pain, and magic to create a textured and nuanced portrait of queer and trans realities in America. The many themes include Black femme mental health, Pacific Islander authorship, fat queer performance art, disability and health care practice, sex worker activism, and much more. Accompanying the narratives are Rose's startling and sinuous images that brings these leaders' words to visual life.

Our Work Is Everywhere is a graphic non-fiction book that underscores the brilliance and passion of queer and trans resistance.

The Name I Call Myself

by Hasan Namir 🍁, Cathryn John 🍁
Oct 01, 2020 Hardcover , Paper over boards \$19.95 CAD

A sweet and moving picture book depicting Ari's gender journey from childhood to adolescence in order to discover who they really are.

Meet Ari, a young person who doesn't like to be called by their birth name Edward: "When I think of the name Edward, I imagine old kings who snore a lot." Throughout this beautiful and engaging picture book, we watch Ari grow up before our very eyes as they navigate the ins and outs of their gender identity; we see how, as a child, they prefer dolls and princess movies, and want to grow out their hair, though their father insists on cutting it short, "because that's what boys look like." At nine, they play hockey but wish they could try on their mother's dresses; at fifteen, they shave their face, hoping to have smooth skin like the girls. At sixteen, they want to run away, especially from their father, who insists, "You're a boy, so you have to act like one." Who will Ari become?

Moving from age six to adolescence, *The Name I Call Myself* touchingly depicts Edward's tender, solitary gender journey to Ari: a new life distinguished and made meaningful by self-acceptance and unconditional love.

General Idea: Ecce Homo*Drawings (1985-1993)*

by Lionel Bovier, Claire Gilman

Jan 31, 2023 Paperback, Trade \$76.00 CAD

Heels, masks, heraldry and metamorphosed genitalia: drawings from the legendary queer collective's group meetings

Focusing on one specific and lesser-known aspect of the manifold practice of General Idea, the Canadian collective founded in Toronto in 1969 by Felix Partz, Jorge Zontal and AA Bronson, this volume highlights their drawing practice, with generous insight into 125 carefully selected drawings realized between 1985 and 1993—the period the collective spent in New York. The publication's design is inspired by George Grosz's legendary *Ecce Homo* album (1922–23) because, as Bronson says, "the anti-Semitism in Grosz's narrative is mirrored by the homophobia in ours." Investigating motifs in the group's multimedia works, such as poodles, stiletto heels, masks, heraldry and metamorphosed genitalia, these drawings were primarily produced by Zontal during group meetings. However, given General Idea's mandate for coauthorship, as well as the circumstances under which they were executed, the drawings are considered to be collaborative. The repetition of motifs follows a viral logic akin to General Idea's own penchant for mass reproduction. Together, these drawings are a fascinating window into General Idea's unique notions of collaboration and coauthorship, and their singular and innovative approach to art and drawing.

Phoenix Gets Greater

by Marty Wilson-Trudeau 🇨🇦, Megan Kyak-Monteith 🇨🇦
Oct 11, 2022 Hardcover , Picture book \$21.95 CAD

A powerful story about the importance of family acceptance.

Phoenix loves to play with dolls and marvel at pretty fabrics. Most of all, he loves to dance—ballet, Pow Wow dancing, or just swirling and twirling around his house. Sometimes Phoenix gets picked on and he struggles with feeling different, but his mom and brother are proud of him. With their help, Phoenix learns about Two Spirit/Niizh Manidoowag people in Anishinaabe culture and just how special he is.

Based on the childhood experiences of her son, Phoenix, Marty Wilson-Trudeau demonstrates the difference that a loving and supportive family can make.

Phoenix found his mom's pink, fluffy blanket and took it with him everywhere. He rolled in it and dragged it around the house all day.

At the toy store, Phoenix loved to look at the dolls with all the pretty, colorful fabrics. He picked out soft, squishy dolls, fashion dolls, and dolls with long hair. As soon as he got home, he wrapped a towel on his head and pretended he had long hair too, swishing it all around.
