Revenge of the Raccoons

by Vivek Shraya 🍁, Juliana Neufeld 🍁
Oct 15, 2022 Hardcover, Picture book \$19.95 CAD

Rebellious raccoons take back the city in a hilarious urban romp by bestselling author and performer Vivek Shraya

Raccoons are hitting the streets to finally tell their story. The bushy-tailed bandits take over the town, swinging from cranes, scampering through subway cars, and pestering the police. Amid the mischief, the raccoons describe themselves as humans see them: thieving “trash pandas” that steal doughnuts and cash, topple our green bins, and frighten our cats. But when asked why they’re invading the city, the raccoons insist they aren’t pests, but survivors of the *real* invaders: humans.

Revenge of the Raccoons is both a riotous tale of underdog uprising and a clever commentary on humans’ sense of ownership over the cities we live in. Playful rhyming text and vibrant illustrations inspired by classic horror movie posters bring the raccoons’ antics to life.

As the raccoons frolic into the night, readers will enjoy cheering on the creative and cunning antiheroes, and maybe even reconsider who rules the city.

Vampire Cinema: The First One Hundred Years

by Christopher Frayling, Tony Nourmand
Oct 25, 2022 Hardcover \$64.95 CAD

A century of classic vampire cinema—in posters, stills and artwork—from Murnau to *True Blood* and beyond

This visual feast celebrates classic vampire cinema—mainstream and niche—through the many colorful ways in which the key films have been marketed and consumed. F.W. Murnau's haunting film *Nosferatu* had its premiere in Berlin in March 1922. Bram Stoker's widow, Florence, tried hard to sue the production company for breach of copyright but had to settle in the end for a court order to destroy all prints and negatives. The film kept resurrecting, though, and is now considered the first, and one of the greatest, of all vampire movies—the founder of a dynasty of prints of darkness.

The bloodline has spread from *Nosferatu* to Hollywood's *Dracula* and progeny (1931–48); from Hammer's *Dracula/Horror of Dracula* and sequels (1958–74) to versions of Sheridan Le Fanu's story “Carmilla” and other lesbian vampires (1970–2020); from the bestselling novels *Salem's Lot* and *Interview with the Vampire* to vampires who have shed their capes, hereditary titles and period trappings to become assorted smalltown oddballs, addicts, delinquents, psychopaths, rednecks, fashionistas, gay icons, comedians and even comic-book heroes (1975–2022). This book is dripping with stills, posters, artworks, press books—many of which have not seen the light of day for a very long time—and is authored by cultural historian and connoisseur of the Gothic Christopher Frayling, who has been called “the Van Helsing de nos jours.”

Christopher Frayling (born 1946) is a recognized authority on Gothic fiction and horror movies. His study *Vampyres* (1978, 1990, 2016) and his classic four-part television series *Nightmare: The Birth of Horror* (1996) have helped to make Gothic horror films accessible to a new generation of viewers.

The Tarot of Leonora Carrington

by Leonora Carrington, Tere Arcq
Dec 20, 2022 Hardcover \$88.00 CAD

A significantly expanded edition of Carrington's acclaimed Tarot series, featuring new archival images and research

The British-born Mexican surrealist Leonora Carrington (1917–2011) spent a lifetime exploring the esoteric traditions of diverse cultures, and incorporated their ideas and symbols into her artistic and literary oeuvre. Tibetan Buddhism, the Kabbalah, ancient Egyptian and Mesopotamian magic, Celtic mythology, witchcraft, astrology and the Tarot were filtered through her feminist lens to create a visionary, woman-centered worldview.

Carrington created a spectacular Major Arcana Tarot deck sometime during the 1950s, laying gold and silver leaf over brilliant color. Exhibited for the first time during her centennial exhibition *Leonora Carrington: Magical Tales* in 2018, this extraordinary work was a revelation for the public and inspired the publication of *The Tarot of Leonora Carrington*.

This second, considerably expanded edition—encouraged by the overwhelmingly positive reception of Fulgur's publication in 2020—explores further the central position that the Tarot held in Carrington's work. The volume includes an introductory text by her son Gabriel Weisz Carrington, who recalls his mother's long involvement with the Tarot, followed by a revised and more extensive essay by scholar Susan Aberth and curator Tere Arcq, including detailed analysis of each card: their color symbolism, their relationship to other works and their iconographic origins in ancient esoteric beliefs, including the Mesoamerican influences of her adopted country.

This new edition also reproduces previously unpublished photographs and images, as well as exciting new research into Carrington's influences, emphasizing the authors' claim that her work on the Major Arcana represents an esoteric road map to Carrington's feminist vision and wish for a new

Seth's Christmas Ghost Stories

Sundial, The*A Ghost Story for Christmas*

by R.H. Malden, Seth

Oct 15, 2019 Paperback , Trade \$8.95 CAD

When he returns to England from the Civil Service, a man takes up residence in an old country home. Enchanted by midsummer days in the garden, he decides to install a sundial. As he waits for it to be delivered, the days grow shorter and his dreams grow dark—and when the sundial finally arrives, it isn't alone.

About the Seth's Christmas Ghost Stories Series

Halloween might seem like the spookiest time of year, but H.R. Wakefield, Walter de la Mare, and Daphne du Maurier felt otherwise. They were among the many authors who set their scariest stories during the dark and shivering days of—yes, Christmas.

Biblioasis is thrilled to announce three new books in this series of beautifully illustrated collectibles that share these classic Christmas ghost stories with readers across North America. Seth, our world-famous and beloved cartoonist, has designed and illustrated each book in his own inimitable way. Trimmed to fit the coziest stocking, they're specifically made for placement beside the registers of the finest bookstores.

Seth's Christmas Ghost Stories
Christmas Eve on a Haunted Hulk
A Ghost Story for Christmas
 by Frank Cowper, Seth 
 Oct 02, 2018 Paperback , Trade \$8.95 CAD

Reading a ghost story on Christmas Eve was once as much a part of traditional Christmas celebrations as turkey, eggnog, and Santa Claus.

When he finds an abandoned duck punt on Christmas Eve, a hunter rows out into the marsh and comes across a shipwreck. He climbs aboard to explore—and finds himself trapped when a surge snaps the mooring line and his punt floats away. Sleep eludes him, and soon he discovers that he's not the only one trapped on the derelict ship.

Seth's Christmas Ghost Stories

One Who Saw*A Ghost Story for Christmas*

by A.M. Burrage, Seth

Nov 10, 2015 Paperback , Trade \$8.95 CAD

Simon Crutchley, a sensitive writer, flees the clatter of London for the sleepy French city of Rouen. After settling in at l'Hôtel d'Avignon, he sits down to work in its courtyard garden, but finds himself inexplicably blocked. Later that night, while smoking at the window, Crutchley looks down into the same garden - only to spy a beautiful, solitary young woman weeping on a bench, face hidden from view. The next day, when making inquiries about her among the staff, he's met with gasps and signs of the cross. For his protection, an employee attempts to move him to a different room: a room without a view into the courtyard. But Crutchley, now compelled to see the woman's face, refuses. It's then that the employee divulges the ghastly origins of the weeping figure - and tells Crutchley an uncomfortable truth about himself: that he, Crutchley, is "one who sees." Originally published on Christmas in 1931, A.M. Burrage's "One Who Saw" is widely regarded as the author's masterpiece. Selected especially by Seth, this new, gorgeously illustrated edition introduces Burrage's unforgettable story to a new generation of readers.

Christmas Ghost Stories

The Signal-Man

by Charles Dickens, Seth

Nov 10, 2015 Paperback , Trade \$8.95 CAD

Overtaken by insomnia, a gentleman wanders through a damp winter countryside - until he discovers the black mouth of a railway tunnel. To his amazement, deep in the gorge before the tunnel, he sees an ancient signal-man. Although at first unresponsive to his calls, the signal-man eventually invites him down to a lonely shack. It's there, over the course of two sleepless nights, that we learn the signal-man's horrifying secret: a shrouded figure haunts him, foretelling a catastrophe soon to befall that very stretch of the tracks. Has the signal-man lost his mind in the solitary dark of his profession? Or does he see the phantom of his own grizzly fate? First published in 1866 for a special Christmas issue of All the Year Round, Charles Dickens' "The Signal-Man" has since fallen into obscurity. This beautiful reissue, designed and illustrated by the inimitable Seth, breathes new life into a work many consider one of the best Christmas ghost stories ever written.
