What's New from Paperblanks

We're excited to welcome you to the Paperblanks Spring 2026 collection! Featuring a vibrant range of cover art from everyone from Vincent van Gogh to William Shakespeare, we're sure you'll love it as much as we do.

This season's catalogue features special editions inspired by two American literary icons. Discover exclusive designs based on *Fourth Wing*, the bestselling romantasy novel by Rebecca Yarros, and *Carrie*, the chilling classic by the "King of Horror," Stephen King. This season promises to spark creativity in every literature lover.

In collaboration with The New York Public Library, we're proud to present New York Rose, inspired by a stunning Gilded Age binding from the extraordinary Spencer Collection. From the same iconic library shelves, meet Mimosa, the sibling of our beloved Poetry in Bloom design reimagined with a beautiful new pink colourway.

Stepping beyond the archives into the contemporary, our collection includes Lotus River, a design by New York-based artist Yuko Shimizu. As the newest title in our Living with Yuko series, it brings a touch of whimsy to the Spring 2026 lineup.

We're also shining a spotlight on our new pencils and cahiers, which are perfect for thinking about the Back to School season. With multiple designs, formats, and layouts, there's something to suit every planning style.

We hope you enjoy our latest products!

FOURTH WING · REBECCA YARROS' EMPYREAN COLLECTION

FOURTH WING

Rebecca Yarros reignited the romantasy genre with the release of *Fourth Wing* (2023), the first book in her *Empyrean* series. Centered around 20-year-old dragon-rider recruit Violet Sorrengail, the series defies traditional fantasy tropes by offering readers a female hero who is both formidable and deeply human.

Les Papillons

GIACOMELLI'S WORLD

Be enchanted by this golden etching originally created for a 19th-century book cover. A French watercolourist, engraver, and illustrator, Hector Giacomelli (1822–1904) was highly sought after for his ornamental additions to written works. It is one of his instantly recognizable book cover designs that we have reproduced here. Originally etched in gold on a cloth cover, it reflects Giacomelli's passion for the natural world.

GILDED AGE

Adorned with garlands of flowers and gold embellishments, this cover design reflects the sophisticated beauty of the original 1898 binding, which contained *Prue & I* by George William Curtis. Vault of the Milan Cathedral (Burgundy)

DUOMO DI MILANO

The drawing recreated here is part of a series proposed by the architect Paolo Cesa Bianchi (1840–1920) for the decoration of the interior vaults of the Milan Cathedral. The soaring arabesques create a sense of a faux relief arborescence over a golden background.

2027 PLANNERS

ALL YOU NEED TO PLAN FOR THE YEAR AHEAD

Every year we offer a variety of annual and academic planners. With a range of interior planning styles and size formats in our newest and bestselling cover designs, Paperblanks planners are great tools to help your customers get organized and stay on track.

For 2027 we have an exciting new change to our daily planner interiors. The address book inserts (or section, in the softcovers) have been removed and replaced with new, more contemporary supplementary content. These pages include goal setting, habit tracking, motivational quotes, and more space for notes.

We've also slightly increased the line spacing on the planning pages and removed the hour markers from the vertical and daily interiors, to allow more flexibility in lifestyle and planning types.

Wishing You a Positive and Productive New Year!
